Espèces et descriptions de bois à être coupé, et le taux de droits à être payés en vertu de cette licence.

* * * * *

Les limites à bois comprises dans la présente licence sont les suivantes :

* * * * *

28. Toutes personnes coupant du bois sur les terres publiques sans autorité de licence seront punies tel que pourvu par la loi :—

Toute personne résistant ou suscitant des entraves à aucun officier ou agent du département des affaires des Sauvages, dans l'exécution de son devoir en saisissant du bois coupé illégalement, ou enlevant ou faisant enlever du bois saisi en vertu de l'acte chap. 43 des Statuts Revisés du Canada se rend coupable de félonie.

Les personnes qui coupent du bois sur des terres qu'elles ont achetées sous prétexte de les établir, mais en réalité dans le but d'en enlever le bois, se rendent coupables du même délit.

Les contracteurs de chemins à lisses et autres qui coupent ou font couper sur les terres publiques et sur les terres vendues, mais non patentées, du bois pour servir à la construction de chemins à lisses, se rendront coupables des mêmes délits que ci-haut et sont passibles des mêmes peines.

29. A dater de la passation des présents règlements, dans le cas où des bois quoique coupés en contravention à la loi, l'ont été de bonne foi par

erreur sur les terres publiques par les détenteurs de licences ou toutes autres personnes, il sera permis au Surintendant Général des affaires des Sauvages d'exiger, en règlement des bois ainsi coupés, une pénalité équivalente à une somme, double, triple ou quadruple des droits ordinaires tels qu'établis par le tarif ci-haut suivant les circonstances, en outre les frais de saisie, et toutes autres dépenses encourues pour s'enquérir des faits relatifs aux bois ainsi coupés en contravention à la loi.

30. Il ne sera plus permis à l'avenir de couper sur les terres des Sauvages des arbres de pin mesurant moins de 9 pouces de diamètre sur la souche.

TRANSFERTS.

31. Tous les propriétaires de limites devront notifier le Surintendant Général des affaires des Sauvages des transferts qu'ils auront pu effectuer, aussitôt qu'une transaction de cette nature aura eu lieu, et s'ils manquaient d'en donner avis en temps voulu au Surintendant Général des affaires des Sauvages, il pourra alors ordonner la confiscation de telle licence ou licences comprenant la limite ou limites ainsi transférées.

32. Les possesseurs de limites, pour l'avantage de pouvoir obtenir les capitaux nécessaires à leurs opérations sur icelles auront le privilège d'affecter les dites limites en garantie sans répétition de bonus. Pour avoir sa valeur sur la limite contre le débiteur, cette garantie devra être notée sur le dos de la licence par un officier du Département des Affaires des Sauvages autorisé à cet effet. Mais, si la partie qui aura donné telle garantie ne remplit pas ses obligations envers le créancier, celui-ci, en établissant le fait à la satisfaction du Surintendant Général des affaires des Sauvages, pourra obtenir le renouvellement suivant de la licence en son propre nom, sujet au paiement du bonus, le transfert étant alors considéré parfait.

33. Les transferts de locations devront être faits par écrit; et, si le Département des affaires des Sauvages ou l'agent local les approuve, ils seront valides à dater du jour où ils auront été déposés entre les mains de ce dernier; mais aucun transfert ne sera accepté, si la personne faisant ce transfert, est arriérée dans ses paiements à la Couronne pour droits sur les bois.

ARPENTAGES.

34. Le département des affaires des Sauvages donnera, lorsqu'il en sera requis par des possesseurs de limites voisines conjointement, des instructions sur la manière d'arpenter et d'établir les limites de ces terrains pour être conformes aux licences actuelles. Les arpentages seront faits aux frais des requérants qui devront remettre au dit département, copies des plans, rapports et autres détails de ces arpentages pour être par lui examinés et approuvés. Ces copies seront payées et elles seront gardées de record par le département.

Les bornes ainsi établies, à la réquisition des parties intéressées conjointement, seront fixes et permanentes et ne pourront être changées.

35. Dans le cas où un possesseur de limites refuserait de se joindre à son voisin pour faire arpenter une ligne limitrophe, celui qui désire l'arpentage aura le droit de le faire à ses propres frais en vertu d'instructions qui lui seront fournies à cet effet, tel que pourvu dans la clause qui précède.

Lorsque l'arpentage sera terminé, avis en sera donné par écrit à la partie adverse, à sa résidence ou à son bureau d'affaires. Et si, à l'expiration d'une année à partir de la date de la signification de tel avis, la partie adverse n'y a fait aucune opposition en la manière ci-après prescrite, ou si l'ayant faite, elle n'a pas été maintenue, la ligne ainsi arpentée sera permanemment et irrévocablement fixée. Mais si, dans l'espace d'une année à compter de la date de cet avis, ce dernier montre qu'il a des raisons suffisantes de douter de l'exactitude de cet arpentage, et dépose entre les mains de l'agent du département des affaires des Sauvages telle somme d'argent que celui-ci spécifiera comme étant suffisante pour couvrir toutes les dépenses d'un nouvel arpentage, le Surintendant Général des affaires des Sauvages nommera un arpenteur pour établir finalement la ligne limitrophe en dispute, et ce second arpentage sera obligatoire envers les parties intéressées. Toutes les dépenses en seront supportées par le réclamant, si ces objections ne sont pas soutenues. Si, au contraire, elles sont confirmées, et le premier arpentage est déclaré erroné, les dépenses seront supportées à parts égales par les deux parties.

36. Toutes les lignes ou bornes de limites déjà établies en vertu d'instructions officielles sont par le présent déclarées valides et permanentes, si un rapport ou des notes d'arpentage ou au moins un plan les désignant, ont été filés de record dans le département des affaires des Sauvages, et si dans l'espace d'une année à compter de la date à laquelle ces documents ou plans ont été filés, il ne soit fait aucune réclamation contre leur exactitude. Si au contraire dans le cours de ce délai, une des parties intéressées réclame, il sera fait un arpentage final tel que prescrit dans la 35ème clause des présentes, à moins toutefois que les parties intéressées ne s'arrangent entre elles pour faire faire un arpentage final en vertu de la clause 34ème.

AVIS AUX MARINS.

Nº 5 de 1888.

POSITION DE LA BOUÉE A GAZ DE LA STATION DE QUARANTAINE.

A compter de l'ouverture de la navigation en 1888, la bouée éclairée au gaz placée à l'extrémité ouest du banc de l'Ile Marguerite, fleuve Saint-Laurent en bas de Québec, dont il est fait mention dans l'Avis aux Marins No. 29 de 1887, sera ancrée sur un fond avec 20 pieds d'eau récemment découvert par le commandant Maxwell, M.R., à deux encâblures au sud-ouest de l'ancien emplacement de la bouée-boîte rouge.

Lat. N. 47° 0' 45"
Long. O. 70° 39' 20"

A partir de la bouée à gaz l'extrémité de l'Ile Marguerite sera dans la direction N.E. $\frac{1}{4}$ E. distante $1\frac{3}{10}$ mille. La bouée-boîte rouge ne sera pas rétablie, mais si la bouée à gaz venait à être enlevée de sa station, une bouée-boîte rouge la remplacera.

Le fond que marque la bouée à gaz a quatre brasses d'eau tout autour, mais les navires qui entreront dans les limites de la quarantaine devront se tenir à l'ouest de la bouée.

Cet avis affecte les cartes de l'Amirauté nos 310, 316, 318 et 2516.

NOTE.—La compagnie d'assurance des Citoyens du Canada a cessé de faire des opérations de garantie et a réassuré ses polices existantes dans la compagnie de garantie de l'Amérique du Nord. Le dépôt pour cette branche d'affaires est de $11,000 en bons de municipalités, somme qui est encore entre les mains du receveur général.

Les affaires de l'Association générale sur la vie *Briton Médical* de Londres, Ang., sont en liquidation, des ordres ayant été rendus par les cours d'Ontario et Québec, dans le but de régler les affaires de la compagnie en Canada, et la distribution du dépôt retenu par le receveur général, dépôt qui se monte à $103,370. Il y eu appel des deux ordres susdits, mais les appels ont été retirés, et des procédures se font maintenant pour régler les affaires canadiennes de la compagnie

Le permis de la Compagnie d'assurance *Hand in Hand* est expiré le 31 mars 1887, et n'a pas été renouvelé parce que sous "l'Acte des assurances" le privilège d'obtenir un permis fédéral dans le cas de compagnies ayant des chartes provinciales est restreint aux compagnies qui font des opérations d'assurance sur la vie. La *Hand in Hand* continue les assurances sur glaces dans l'Ontario en vertu d'un permis provincial, mais a cessé de faire des opérations dans les autres provinces du Canada. Le dépôt de $5,000 reste entre les mains du receveur général

Le permis de l'Association sur la vie du Canada est expiré le 31 mars, et n'a pas été renouvelé. Les avis exigés par la loi lorsqu'une compagnie veut retirer ses dépôts ont été donnés par la compagnie, et une partie en a été remboursée ; le receveur général a retenu un montant suffisant pour couvrir la valeur nette de rachat des polices en vigueur.

Les avis exigés par la loi pour le retrait du dépôt de la *Briton Life Association (limited)*, ont été donnés par la compagnie.

CHAPTER 67.

An Act to amend the Superannuation Acts, 1834 and 1859; and for other purposes.

[16th September, 1887.]

BE it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

Grant of gratuity or allowance to injured civil servant.

1.—(1) Where a person employed in the civil service of the state is injured—
(*a*) in the actual discharge of his duty; and
(*b*) without his own default; and
(*c*) by some injury specifically attributable to the nature of his duty,
the Treasury may grant to him, or, if he dies from the injury, to his widow, his mother, if wholly dependent on him at the time of his death, and to his children, or to any of them, such gratuity or annual allowance

as the Treasury may consider reasonable, and as may be permitted by the terms of a warrant under this section.

(2.) The Treasury shall forthwith after the passing of this Act frame a warrant regulating the grant of gratuities and annual allowances under this section, and the warrant so framed shall be laid before Parliament.

(3.) Provided that a gratuity under this section shall not exceed one year's salary of the person injured, and an allowance under this section shall not, together with any superannuation allowance to which he is otherwise entitled, exceed the salary of the person injured, or three hundred pounds a year, whichever is less.

Power to grant retiring allowance to persons removed.

2.—(1.) Where a civil servant is removed from his office on the ground of his inability to discharge efficiently the duties of his office, and a superannuation allowance cannot lawfully be granted to him under the Superannuation Acts 1834 and 1859, and the Treasury think that the special circumstances of the case justify the grant to him of a retiring allowance, they may grant to him such retiring allowance as they think just and proper, but in no case exceeding the amount for which his length of service would qualify him under sections two and four of the Superannuation Act, 1859, without any addition under section seven of that Act.

(2.) A minute of the Treasury granting an allowance under this section to any civil servant shall set forth the amount of the allowance granted to him, and the reasons for such allowance, and shall be laid before Parliament: Provided that the Treasury before making the grant shall consider any representation which the civil servant removed may have submitted to them.

Reckoning of temporary services.

3. Where a person at the time he becomes a civil servant within the meaning of this Act is serving the State in a temporary capacity, the Treasury may, if in their opinion any special circumstances of the case warrant such a course, direct that his service in that capacity may be reckoned for the purposes of the Superannuation Acts, 1834 and 1859, and this Act, as service in the capacity of a civil servant, and it shall be so reckoned accordingly.

Compassionate gratuity on retirement of person not entitled to superannuation.

4. If a person employed in any public department in a capacity in respect of which a superannuation allowance cannot be granted under the Superannuation Act, 1859, retires, or is removed from his employment, and

(*a*) the employment is one to which he was required to devote his whole time, and

(*b*.) the remuneration for the employment was paid entirely out of moneys provided by Parliament, and

(*c*.) he has served in the employment for not less than seven years, if he is removed in consequence of the abolition of his employment, or for the purpose of facilitating improvements in the organisation of the department by which economy can be effected, or for not less than fifteen years if his retirement is caused from infirmity of mind or body, permanently incapacitating him from the duties of his employment,

the Treasury may, if they think fit, grant to him a compassionate gratuity not exceeding one pound or one week's pay, whichever is the greater, for each year of his service in his employment.

5. A person shall not be entitled to reckon the same period of time both for the purpose of a superannuation allowance under the Superannuation Acts, 1834 and 1859, and this Act, and also for the purpose of naval or military non-effective pay.

Regulations as to officers receiving half-pay or retired pay

6.—(1.) The Treasury may, within one month after the passing of this Act, frame rules as to the conditions on which any civil employment of profit under any public department as defined by this Act, or any employment of profit under the Government of any British possession, or any employment under the Government of any Foreign State may be accepted or held by any person who is in receipt of or has received any sum granted by Parliament for the pay, half-pay, or retired pay of officers of Her Majesty's naval or land forces, or otherwise for payment for past service in either of such forces, or who has commuted the right to receive the same, and as to the effect of such acceptance or holding on the said pay or sum, and the Treasury may in such rules provide for the enforcement thereof by the forfeiture, suspension, or reduction of any such pay or sum as aforesaid, or of any commutation money or remuneration for such employment.

(2.) Such rules shall also provide for the returns to be laid before Parliament of such officers accepting employment as are affected by the rules, and shall come into operation at the date of the passing of this Act.

(3.) The rules shall be laid before both Houses of Parliament forthwith.

(4.) For the purposes of this section "British possession" means any part of Her Majesty's dominions out of the United Kingdom, and this section shall apply to Cyprus as if it were a British possession.

Provision as to lunatics.

7.—(1.) Where any sum in respect of pay, pension, superannuation, or other allowance or annuity is due in respect either of service as a civil servant, or of military or naval service, to a person who is a lunatic, whether so found by inquisition or not, such sum may be from time to time applied for his benefit by the prescribed public department in such manner as the department think expedient.

(2.) Where any annuity, whether pension, superannuation, or other allowance, is payable out of moneys provided by Parliament to a person in respect either of service as a civil servant or of military or naval service, and such person is or becomes a lunatic towards whose maintenance a contribution is made out of money provided by Parliament, then as long as the contribution is made his annuity shall be reduced by an amount equal to that contribution, and if the amount of the contribution exceeds the amount of the annuity, the annuity shall cease to be payable.

Distribution of money not exceeding 100l. without probate.

8. On the death of a person to whom any sum not exceeding one hundred pounds is due from a public department in respect of any civil pay, superannuation, or other allowance, annuity or gratuity, then, if the prescribed public department so direct, but subject to the regulations (if any) made by the Treasury, probate or other proof of the title of the personal representative of the deceased person may be dispensed with, and the said sum may be paid or distributed to or among the persons appearing to the public department to be beneficially entitled to the personal estate of the deceased person, or to or among any one or more of those persons, or in case of the illegitimacy of the deceased person or his children, to or among such persons as the department may think fit, and the department shall be discharged from all liability in respect of any such payment or distribution.

Decision of Treasury.

9. The decision of the Treasury on any question which arises as to the application of any section of this Act to any person, or as to the amount of any allowance or gratuity under this Act, or as to the reckoning of any service for such allowance or gratuity, shall be final.

Saving for existing interests.

10. Nothing in this Act shall be construed so as in any way to interfere with the rights existing at the passing of this Act of any civil servant then holding office.

Laying of warrant and minutes before Parliament.

11. Every warrant and minute under this Act which is required to be laid before Parliament shall be laid before both Houses of Parliament in manner provided by section thirteen of the Superannuation Act, 1859.

Copy of the Rules drawn up by the Treasury under Clause 6 of the Superannuation Acts Amendment Bill of this Session.

RULES UNDER SECTION 6 OF THE SUPERANNUATION ACT, 1887.

WHEREAS by the Superannuation Act, 1887, the Commissioners of Her Majesty's Treasury are authorised to frame rules as to the conditions on which any civil employment of profit under any public department or any employment of profit under the Government of any British Possession, or any employment under the Government of any foreign State, may be accepted by any person who is in receipt of any sum granted by Parliament for the pay, half-pay, or retired pay of officers of Her Majesty's naval or military forces, regular or auxiliary, or otherwise, for past service in such forces; or who has commuted the right to receive the same or has retired with a gratuity; and otherwise, as in the said Act mentioned:

And whereas the general principle adopted by Parliament has been that where any person receiving non effective pay on account of service to the State accepts fresh State employment, the State should benefit by some saving upon the sums otherwise payable to such person on account of his non-effective pay and of the emoluments of his fresh employment:

And whereas such saving has been heretofore effected by means of a reduction of the non effective pay, and it appears to the Commissioners of Her Majesty's Treasury expedient that in the case of officers accepting certain civil employments of profit, such saving should be effected by reduction of the emoluments of the fresh employment instead of by reduction of the non-effective pay:

Now, therefore, the Commissioners of Her Majesty's Treasury, in pursuance of the powers conferred on them by the Superannuation Act, 1887, and of every other power enabling them in this behalf, do hereby make the following rules:—

In these rules:—

1. (*a.*) The expression "non-effective pay," shall mean any half-pay or retired pay, or other payment granted by Parliament for officers in Her Majesty's naval or land forces, on account of past service, in some portion of those forces, but does not include rewards for distinguished or meritorious service, nor pensions for wounds.

(*b*) The expression "civil employment of profit under any public department," means any employment the profits of which are derived from any of the following funds which are hereby declared to be public funds, viz:—

- *a.* The Consolidated Fund.
- *b.* Money voted by Parliament, or receipts taken in reduction of such money.
- *c.* Land or hereditary revenues of the Crown.
- *d.* Crown revenue of the Channel Islands.
- *e.* Mercantile Marine Fund.
- *f.* Funds of Greenwich or Chelsea Hospital.
- *g.* Any other fund which, either from its being administered by a public department, or from its receiving a contribution out of any of the above-mentioned funds, the Treasury may from time to time determine to be a public fund;

but does not include any such employment as the Treasury, having regard to the regulation of the Admiralty and the War Department, determine to be a naval or military employment.

(*c.*) The expression "naval" shall include "marine," and the expression "navy" shall include the marines.

(*d.*) The expression "officer" shall mean any officer who holds or has retired from a commission in any of the Imperial forces, or who has retired with a gratuity or upon non effective pay, whether he have commuted such non-effective pay or not.

(*e.*) The expression "Imperial forces" means Her Majesty's Imperial, naval or land forces.

(*f.*) The expression "Colonial Government" means the Government of any Colony, and includes the Government of Cyprus.

(*g.*) Other expressions have the same meaning as in the Superannuation Act, 1887.

I.—Acceptance of office.

2. An officer who is on the half-pay or retired list, or who has commuted his non-effective pay, or re-

tired from the Imperial forces with a gratuity, before accepting any civil employment of profit under any public department or any employment of profit under the Government of any British Possession, or any employment under the Government of any foreign State, shall obtain the consent of the Admiralty or the War Department, as the case may be, and the continuance of such consent shall be a condition of his holding such employment; and such consent, when given, and a withdrawal of such consent, shall be communicated by the giver to the Treasury.

3. If any officer fail to obtain such consent, or if he continues to hold such employment after the consent is withdrawn, he shall be liable to have his non-effective pay suspended or reduced, either permanently or temporarily, according as the Treasury may direct, and if he have commuted such pay or retired with a gratuity, shall be liable to pay to Her Majesty the amount of commutation money or gratuity, or such portion thereof as the Treasury may direct.

II.—Receipt of naval or military non-effective pay by an officer holding a civil employment of profit.

4. If any such officer as is mentioned in Rule 2 accept any civil employment of profit under any public department (other than in Her Majesty's Household), and such officer either continues whilst holding the said employment to draw any non-effective pay, or has commuted such pay, or has retired with a gratuity from Navy or Army funds, the profits of his civil employment shall be subject to abatement under the following conditions:—

(*a.*) If the annual amount of his non-effective pay, whether in actual course of payment or commuted or represented by a gratuity valued as hereinafter mentioned, and the profits of his civil employment together exceed 400*l.* per annum, the profits of his civil employment shall be abated by such an amount, not being less than 10 per cent. thereof, as may be determined by the Treasury in concert with the department employing the officer; provided that no abatement shall be made by reason of this rule, which exceeds the amount of the officer's non-effective pay or reduces his total emoluments to less than 400*l.* per annum.

(*b.*) For the purposes of sub-section (*a*) the annual value of non-effective pay which has been commuted shall be the amount of such pay at the time of commutation, and the value of a gratuity shall be determined, actuarially, according to the prospects of life of the officer at the date of his receipt of such gratuity.

5. (1.) It shall be competent to the Treasury, on the recommendation of the Admiralty or War Department, as the case may be, from time to time to exempt any civil employment under a naval or military department, from the operation of Rule 4, or to bring the same back within its operation.

(2.) It shall be competent to the Treasury from time to time to exempt any other civil employment from the operation of Rule 4, for such time as they may deem fit, on the ground of such employment being of a temporary or casual character, or of its profits being petty or uncertain, or of the nature of fees for piecework.

6. In case of doubt arising either as to whether the funds from which the profits of a civil employment are derived are public funds or as to what is, for the purposes of Rule 4, the annual value of non-effective pay, or of a gratuity, or of the profits of a civil employment, the decision on the point shall rest with the Treasury.

7. No such officer as is mentioned in Rule 2 shall accept any civil employment of profit under any public department, otherwise than on condition that no pension shall be granted to him in respect of that employment, which, when added to his non-effective pay, shall exceed two thirds of the emoluments of that employment, or a total of 1,000*l.* a year, whichever may be the greater.

But, if such officer's civil employment have been declared, by order under Section 4 of the Superannuation Act, 1859, to be a professional office, he may, subject to the above limitation of the amount of pension, elect on his retirement:

(*a.*) Either to retain his non-effective pay, together with a pension calculated on his actual service in the professional office, or;

(*b.*) To relinquish his non-effective pay, and to receive a pension calculated on his actual service in the professional office, together with the addition of years granted by the order.

8. Nothing in these rules shall abridge or supersede any power of abatement of an officer's non-effective pay or emoluments possessed in other respects by the Treasury, or by any other public department.

9. A return shall be laid before Parliament in every year of the number of officers who, having non-effective pay, or having commuted their non-effective pay, or having retired on a gratuity from Navy or Army funds, have been granted by the Admiralty or War Department permission, under Rule 2, to hold any civil employment of profit under a public department, specifying the names of such officers and the respective amounts of their non-effective pay and their emoluments, and the abatement, if any, made therefrom, and distinguishing the officers to whom such permission has been granted since the conclusion of last return.

III.—Employment of naval or military officers by colonial Governments (exclusive of the Government of India.)

10. If an officer on the Active List now holds, or shall hereafter accept, any employment of profit under any Colonial Government, not remunerated out of Imperial funds, he shall draw no pay, effective or non-effective, from Imperial funds so long as he holds that employment; but if his employment appears to the Admiralty or War Department to be of a nature to afford practical experience likely to be afterwards of public advantage in the event of his return to Imperial service, his service under the Colonial Government may, if the Admiralty or War Department think fit, count towards promotion and retirement, as though it were service in the Imperial Forces, and in that case the retired pay earned by his Colonial service whilst he remains on the said Active List will in due course be chargeable on Imperial funds.

11. An officer on the Active List shall accept and hold any employment of profit under a Colonial Government on condition only that the employment does not, in the absence of exceptional circumstances, last for a period exceeding five years, and is not renewed.

12. If an officer retire from the Imperial Forces whilst he holds an employment of profit under a Colonial Government, he may at once draw so much of his retired pay as was earned by Imperial service before his entering the Colonial service; and upon his retirement from the Colonial service he may also draw the retired pay earned by so much of his Colonial service as preceded his retirement from the Imperial Forces[*]

13. If an officer on the Retired List now holds, or shall hereafter accept, an employment of profit under a Colonial Government, his retired pay, even though earned by mixed Imperial and Colonial service, shall not be suspended in whole or in part, by reason of such employment, unless the Admiralty or War Department think fit otherwise to order; and any such order may be carried into effect.

14. Service under a Colonial Government subsequent to an officer's retirement from the Imperial Forces, shall not increase the charge for his non-effective pay upon Imperial funds.

IV.—Saving Clauses.

15. If any officer who is on the half-pay or retired list, or who has commuted his non-effective pay, or retired from the Imperial forces with a gratuity, accepts or holds any civil employment of profit under any public department, or any employment under the Government of any British Possession,

---

[*] This Rule corresponds with a concession made by the Treasury in a letter to the War Department, dated 19th November, 1886, and acted upon in certain cases from not earlier than that date (*vide* pages 34-5 of Sessional Paper (85) of 1887).

and is not subject to Rule 4, or is not subject to Rules 13 to 14, both inclusive, he shall accept and hold such employment on condition that he does not receive any part of any sum granted for non-effective pay for any time during which he holds such employment, except as hereafter mentioned, that is to say:

(*a.*) If the appointment is in Her Majesty's Household, he may receive the full amount of his non-effective pay:

(*b.*) If the annual emoluments of the employment do not exceed three times the amount of the highest rate of non-effective pay attached to the rank, by virtue of which he claims to receive non-effective pay, such person may, with Her Majesty's pleasure to that effect, signified by the Treasury through one of Her Majesty's Principal Secretaries of State, receive the non-effective pay to which he would be entitled if he held no such employment of profit:

(*c.*) Where the annual emoluments of the employment exceed three times the amount of such highest rate of non-effective pay as aforesaid, but fall short of four times such amount, the holder of such employment may, with Her Majesty's pleasure, signified in the manner aforesaid, receive so much non-effective pay as, added to the emoluments of his employment, will together make up four times the amount of such non-effective pay.

16. In the case of any officer who has accepted any employment before the passing of the Superannuation Act, 1887, the foregoing rules shall not, without his consent, apply to him so far as respects that employment, and if he does not so consent, the law and regulations applying to such officer immediately before such passing shall continue to apply to him so far as respects that employment.

The Students must join with their Parents or Guardians in a Bond of 300*l.* to enter, if required, into Her Majesty's Service as Assistant Engineers, or as Assistant Constructors, if at the expiration of their training they should obtain Certificates of good conduct and efficiency for entry in the Service. These Bonds and the Indentures of Apprenticeship must be completed in all respects before the Students join the Dockyard.

14. The Parent or Guardian of each Engineer Student entered in future will be required to make six annual payments during the six years of the Student's training, viz:—30*l.* each year for the first two years, 20*l.* for the third year, 25*l.* for the fourth year, and 5*l.* each for the fifth and sixth years. It will, however, be at the discretion of my Lords to reduce these annual payments during the first four years in the case of sons of officers killed or drowned or who have otherwise lost their lives on service. Should a Student leave or be dismissed from the Service, the payments which have been made in his behalf will be forfeited.

24. Students who fail at Devonport at the end of their third year of study, and join Portsmouth at the end of their fourth year, will be examined at the end of their sixth year of service, *i. e.* after two years' study at Portsmouth. All transfers of timber berths shall be made in writing, but shall be subject to the approval of the Superintendent General of Indian Affairs, to whom they shall be transmitted for approval or rejection, and they shall be valid only from the time of such approval to be expressed in writing. *In all cases of transfer of limits or timber berths, they will be subject to the payment of two dollars per square mile for each limit or berth, and in proportion if only a part is transferred, or if the license holder takes in one or more partners with him.*

8th. Timber berths are to be described in new licenses as "not to interfere with prior licenses existing or to be renewed in virtue of regulations." When the description of any berth or boundary, as given by any license, clashes with the description of any other licensed berth or territory, the license of more recent origin (tracing back only to the time when such license or any previous license, of which it is a renewal, was first granted), shall give way, and the Superintendent General of Indian Affairs may amend or cancel such license wholly or in part, and substitute another in place thereof, so as to correct the description of the berth or limit intended to be licensed; and in all cases where any license has issued in error or mistake, or is found to be inconsistent with any other license, or inconsistent or incompatible with the regulations under which it was granted, the Superintendent General of Indian Affairs may cause it to be cancelled, or amended, or he may refer all matters in dispute with reference to the boundaries and position of timber limits to arbitration, each of the contending parties to choose one arbitrator, and the Superintendent General of Indian Affairs shall appoint an umpire, naming a day on or before which the award of such arbitrators or of such umpire shall be made and delivered to the parties, and such award shall be binding on them.

9th. Timber cut on limits for which license has been suspended or held in abeyance, shall be considered as having been cut without authority and treated accordingly.

10th. Purchasers of Indian lands, who have not completed all the conditions of sale shall not, unless under Settler's License, or for clearing, fencing or building purposes on the said land, be permitted to cut timber or logs thereon, or to dispose of it to others. Persons found doing so shall be subject to the penalties established by law, for cutting timber on Indian lands without authority. *On all lands sold on or after the issue of a license, the licensee may, in virtue of said license, not cut any description of timber excepting merchantable pine and spruce, which he may continue to cut until the purchaser of the land shall have fulfilled all conditions of sale entitling him to a patent for the said land, when the right of the licensee to cut pine or spruce thereon shall cease; but it will rest with the purchaser to notify the licensee, and, if required to do so, to furnish sufficient proof to him that he has fulfilled such conditions of sale.*

11th. All timber licenses are to expire on the 30th of April next after the date thereof, and all renewals are to be applied for before the 1st of July following the expiration of the last preceding license; in default whereof the berth or berths shall be treated as *de facto* forfeited.

12th. No renewal of any license shall be granted unless *the limit covered thereby has been properly worked during the preceding season, or sufficient reason be given under oath, and the same be satisfactory to the Superintendent General of Indian Affairs, for the non-working of the limit, and unless* or until the ground rent and all costs of survey, and all dues to the Crown on timber, saw-logs or other lumber cut under and by virtue of any license, other than the last preceding, shall have been first paid.

13th. All timber berths or limits shall be subject to an annual ground rent of $3 per square mile, payable in advance, before the issuing of any original license or renewal. *And, in computing the ground rent, no license shall be charged at less than eight miles of area.*

14th. All timber, saw-logs, wood or other lumber, cut under any license now in force, or under any license which may be hereafter granted, shall be subject to the following Crown dues, that is to say:

16th. All licensees or occupants of timber berths shall furnish through themselves, their agents, cullers and foremen, to such agent or agents as the Superintendent General of Indian Affairs may appoint for that purpose, and at such time and place as such agent or agents may require, satisfactory proof upon oath as to the exact locality where all the timber saw logs and other lumber in his or their possession were cut, giving the number of pieces and description of timber, saw-logs and other lumber including culls, cut by themselves and others to their knowledge upon each of the timber berths held or occupied by him or them respectively, designating what quantity, if any, had been cut on settlers' lands, giving the names of such settlers, the name of the township, and the number of each lot and concession, exhibiting at the same time for the inspection of such agent or agents, the books of count and measurement of such timber, saw-logs and other lumber under his or their control respectively; and shall moreover furnish such agent or agents all required information and facilities to enable him or them to arrive at a satisfactory determination as to the quantity and description of timber, saw-logs and other lumber made by him or them, or held in his or their possession respectively, on which Government dues are chargeable; and in the event of such agent or agents deeming it expedient to cause such timber, saw-logs and other lumber to be counted or measured, the said licensee or occupier of such timber berth, and his or their agents, cullers and foremen, shall aid and assist in such count or measurement, but should such licensee or occupier, or his or their agents, fail to comply with these conditions, such licensee shall forfeit all right to a renewal of his license, and the berth and limit shall become vacant. And to enable persons who sell their timber under settler's license to obtain their refund of dues, and timber cut on patented lands to pass duty free, it will be necessary for the parties interested to prove, on oath taken before such agent or agents, and to his or their satisfaction, the number of pieces and description of timber and saw-logs cut on each lot respectively. And in the event of such proof being deemed unsatisfactory, the said agent or agents may determine the same by causing a strict count of the stumps to be made, and then certifying according to such count.

17th. The Superintendent General of Indian Affairs, or any authorized agent, shall at all times have free access to and be permitted to examine the books and memoranda kept by any licensee, shewing the quantity of lumber in board measure sawn by him from logs cut on his timber berth or berths, and failing to produce such books and memoranda when required so to do, will subject such licensee to a forfeiture of his right to a renewal of his license.

18th. When any license-holder is in default for, or has evaded the payment of dues to the Crown on any part of his timber or saw logs, such dues may be levied on any other timber or saw-logs belonging to such defaulter, cut under license, together with the dues thereon.

19th. Before moving any raft or parcel of timber, lumber or saw-logs from the Indian Agency in which it has been cut, the owner or person in charge thereof, shall report the same to the Indian Agent for the locality, making, if required, declaration upon oath, as to where the said timber was cut, the number of pieces and description of each kind of wood contained in such raft or parcel of timber, and the number of cribs, stating at the same time the number and description of pieces cut on private lands, also on lands under settler's license, giving the names of the owners or licensees of such land, with the name of the townships and number of each lot and concession; and should such Indian Agent not be satisfied with the correctness of such report, he shall cause a strict count to be made of the timber in such raft; and on being satisfied of the correctness of such report or count, the Indian Agent may grant a clearance in due form, for such raft, stating the number of pieces and description of timber contained therein, distinguishing the timber cut on private lands under settler's license, from that cut on Indian lands or Reserve.

20th. The owner or holder of any such raft or parcel of timber shall, within twenty-four hours after the same shall have arrived at its destination at Quebec, Sorel, Montreal, or other port of sale or shipment, report the arrival of such raft to the Collector of Crown Timber dues, or if at Sorel or Montreal, to the Deputy Supervisors of Cullers; and should the said raft be found by the specification of measurement to contain a greater number of pieces of timber than is noted in the clearance, the surplus number of pieces, if not satisfactorily explained, shall be held as having been cut on Indian lands without authority, and subject to payment of dues accordingly.

21st. Parties omitting to obtain their clearance at such agency, or omitting to report the arrival of such raft at its destination as above mentioned, may be refused further license, and may be subject to forfeiture of the timber for evasion of regulations, as provided in Cap. 43 of the Revised Statutes of Canada.

22nd. Persons evading or refusing the payment of timber dues, or the final settlement of bonds or promissory notes for payment of such dues, or in default with the Indian Department or agent; also, persons taking forcible possession of disputed ground before obtaining decision in their favor, and persons refusing to comply with the decision of arbitrators or of the umpire, as provided by the 8th section of these Regulations, or with the Regulations established by Order in Council, or who forcibly interrupt surveyors in the discharge of their duty, shall be refused further licenses, and their berths shall be forfeited at the expiration of the then existing license.

23rd. Dues of all kinds on timber cut under license, remaining unpaid on the 30th November following the season in which it was cut, shall be subject to interest from that date, but without prejudice to the power of the Crown to enforce payment of such outstanding dues at any time the Superintendent General of Indian Affairs may think proper.

24th. Purchasers of Indian lands who have not completed all conditions of sales, and have not obtained their patents for such lands, cutting timber without license (except for clearing, building, or fencing thereon), or others doing so by their permission, shall be subjected to the penalties established by law for cutting timber without authority.

25th. Before the issue of any timber license, the licensee or licensees thereof shall furnish security by a bond of himself or themselves, and two responsible sureties, for such amounts as the Superintendent General of Indian Affairs may consider sufficient to ensure the proper working of the limit, the due fulfilment by him or them of the conditions of the license, and the due observance of all the regulations of the Department in respect to the timber to be cut. The giving of such security shall not, however, in any way prejudice the right of the Superintendent General of Indian Affairs, or his agent, to levy upon any timber cut or owned by the holder or holders of the license, or to cancel the said license should there appear to him to be sufficient cause for so doing.

26th. Licenses are to be granted on the following form, in triplicate, and the description of each berth is to be written on the back thereof, and is to be dated and signed by the Deputy Superintendent General of Indian Affairs, as well as the license itself—the duplicate to be kept of record by the local Indian Agent.

27th. FORM OF LICENSE.

(Royal Arms.)

By authority of the 43rd Chapter of the Revised Statutes of Canada and amendments thereto, and for and in consideration of the payments made, and to be made to the credit of Indian funds, I do hereby give unto and unto agents and workmen, full power and license to cut upon the location described upon the back hereof, and to hold and occupy the said location to the exclusion of all others, except as hereinafter mentioned:—from 18 to thirtieth day of April, 18 , and no longer; with the right of conveying away the said timber, through any ungranted or waste Indian lands.

That any person or persons may under authority of the Superintendent General of Indian Affairs, at all times, make and use roads upon and travel over the ground hereby licensed.

That nothing herein shall prevent any person or persons having authority from the Superintendent General of Indian Affairs to do so, from taking standing timber of any kind to be used for the making of roads and bridges, or for Public Works.

And that persons settling under lawful authority or title within the location hereby licensed, shall not in any way be interrupted in clearing and cultivating by the said licentiate, or any one acting for or by permission.

And further, upon condition that the said licentiate or representatives shall comply with all regulations that are or may be established by Order in Council, and shall submit all the timber cut under this license to be counted or measured, and shall settle for the duties chargeable thereon when required by me or any officer thereunto authorized,—otherwise the said timber will be forfeited to the Crown, and the said licentiate be subject to such other penalty or penalties as provided by law.

* * * * *

The timber limits comprehended by the within license consist of the following limits:

* * * * *

28th. All persons cutting timber on Indian lands or Reserve, without authority of license, will be punished as the law provides.

Persons hindering any officer or agent of the Department of Indian Affairs in the discharge of his duty in seizing timber illegally cut, or taking away, or causing to be taken away, any timber seized under the Act, cap. 43, Revised Statutes, Canada, are guilty of felony.

Parties cutting timber on Indian lands purchased by them on pretence of settlement, but really for the purpose of cutting the timber, are trespassers as above.

Railway companies, contractors and others, cutting without the authority of the Superintendent General of Indian Affairs timber for railway purposes on Indian lands and on lands sold but not yet patented, are also trespassers and subject to the same penalties.

29th. From and after the date of the passing of the present regulations, in cases of timber which although cut in trespass was so cut through error in good faith on Indian lands, by licentiates or other parties, it shall be lawful for the Superintendent General of Indian Affairs to exact in settlement of such wood goods a penalty equivalent to double, treble or quadruple the ordinary dues as established by tariff above, according to circumstances, besides costs of seizure and other expenses connected with all investigations into such trespasses.

30th. It shall be no longer permitted to cut, on Indian lands, pine trees measuring less than nine inches in diameter at the stump.

31st. TRANSFERS.

All limit owners are to notify the Superintendent General of Indian Affairs of any transfer which they may have effected, as soon as any transaction of the kind may have taken place; and should they fail to give due notification to the Superintendent General of Indian Affairs, he may rule the forfeiture of such license or licenses comprising the limit or limits so transferred.

32nd. Limit holders, in order to enable them to obtain advances necessary for their operations, shall have a right to pledge their limits as security without a bonus becoming payable. Such pledge, in order to effect the limit against the debtor, shall require to be noted on the back of the license by an authorized officer of the Department of Indian Affairs. But if the party giving such pledge should fail to perform his obligations towards his creditors, the latter, on establishing the fact to the satisfaction of the Superintendent General of Indian Affairs, may obtain the next renewal in his or their own name, subject to payment of the bonus, the transfer being then deemed complete.

33rd. Transfers of timber berths are to be in writing, and if not found objectionable by the Department of Indian Affairs, are to be valid from the date on which they may be deposited in the hands of the latter; but no transfer is to be accepted while the party transferring is in default for non-payment of dues on timber to the Crown.

SURVEYS.

34th. The Department of Indian Affairs shall, at the joint written request of conterminous license holders, issue instructions stating how the boundaries of such limits should be run to be in conformity with existing licenses. The surveys shall be performed at the expense of the parties requiring them, who must cause copies of the plans and field notes of the surveys to be delivered to the said Department subject to approval, to be paid for and kept of record by the Department.

Boundaries so established at the joint request of the parties interested shall be fixed and permanent and shall in no case be altered.

35th. If a limit holder refuses to join his neighbor to have the boundaries defined, the party wishing to have the survey made, shall be entitled to have it performed at his own expense, under instructions which shall be furnished to him for that purpose, as provided in the foregoing clause.

On the completion of the survey, notice of the same shall be given in writing to the adverse party at his residence or place of business. And if within one year after such notification, the adverse party shall have made no opposition to the same in the manner hereinafter prescribed, or if, having done so, such opposition has not been maintained, the boundary so surveyed shall be fixed permanently and irrevocably. But if within the space of one year from the date of such notice, the adverse party shews that he has sufficient reasons to doubt the exactness of such survey, and deposits in the hands of the agent of the Department of Indian Affairs, such sum of money as that Department may deem sufficient to cover all the expenses of a new survey, the Superintendent General of Indian Affairs shall name a surveyor to establish finally the boundary in dispute, and this second survey shall be binding upon the interested parties. All the expenses shall be borne by the applicant if his objections be not maintained. If, on the contrary, they be confirmed and the first survey be declared erroneous, the expenses shall be borne share and share alike by both parties.

36th. All limit lines or boundaries already established in virtue of official instructions, are hereby declared valid and permanent, if a report or field notes, or at least a plan describing such boundaries, have been fyled of record in the Department of Indian Affairs, and if, within the space of one year from the date such documents or plan were filed, their correctness be not disputed. If, on the contrary, within this delay one of the interested parties objects to them, a final survey shall be made as prescribed in the thirty fifth clause of these presents, unless, however, the interested parties agree to have a final survey effected in virtue of the thirty-fourth clause.

JOHN J. McGEE,
Clerk Privy Council.

NOTE.—The Citizens' Insurance Company of Canada has discontinued its Guarantee business and has reinsured its outstanding policies in the Guarantee Company of North America. The deposit on account of this branch is $11,000 Municipal Debentures still in the hands of the Receiver General.

The affairs of the *Briton Medical and General Life Association, London, Eng.*, are in litigation, orders having been made by Ontario and Quebec Courts, having for their object the winding-up of the affairs of the Company in Canada and the distribution of the deposit held by the Receiver General, which amounts to $103,370. The orders above referred to were both appealed; but the appeals have been withdrawn, and proceedings are now in progress for the winding up of the Company's Canadian affairs.

The license of the *Hand in Hand Insurance Company* expired on the 31st March, 1887, and has not been renewed owing to the fact that under "The Insurance Act," the privilege of obtaining a Dominion license in the case of Companies having Provincial charters is restricted to Companies which transact the business of Life Insurance. The Hand in Hand continues to transact Plate Glass insurance in Ontario under Provincial license, but has ceased to transact business in the other Provinces of the Dominion. The deposit of $5,000 is still in the Receiver General's hands.

The license to the *Life Association of Canada* expired on the 31st March, and has not been renewed. The statutory notices of application for withdrawal of its deposit have been given by the Company, and a portion thereof has been released; a balance sufficient in amount to cover the net surrender values of the policies in force has been retained by the Receiver General.

The Statutory notices of application for the withdrawal of the deposit of *The Briton Life Association (Limited)*, have been given by the Company.

(*Circulaire.*)

Monsieur,—Vu la dépêche circulaire de mon prédécesseur du 10 de janvier dernier, j'ai l'honneur de vous transmettre, ci-jointes, des copies imprimées de règlements revisés concernant l'admission d'étudiants-ingénieurs et d'étudiants en construction navale dans les chantiers de Sa Majesté, reçus des lords commissaires de l'Amirauté, et datés le 1er de juillet dernier.

J'ai l'honneur d'être, monsieur,
Votre très-obéissant serviteur,

H. T. HOLLAND.

A l'administrateur
du gouvernement du Canada.

RÈGLEMENTS

Concernant l'admission d'étudiants-ingénieurs et d'étudiants en construction navale dans les chantiers de Sa Majesté.

(Les étudiants-ingénieurs sont dressés pour service à bord comme officiers-ingénieurs dans la marine de Sa Majesté).

(Les étudiants en construction navale sont dressés en vue de leur entrée dans le corps royal de constructeurs navals.)

1. Les vacances parmi les étudiants-ingénieurs dans les chantiers seront remplies principalement au moyen d'examens de concours ouverts à tous fils de sujets britanniques, de l'âge voulu et de bonnes mœurs, mais Leurs Seigneuries se réservent le droit de nommer un petit nombre de candidats à chaque entrée lesquels seront admis s'ils passent l'examen spécifié au paragraphe 11.

Les candidats à nommer le seront par le Bureau de l'Amirauté parmi les fils d'officiers de l'armée, de la marine ou armée de marine qui ont été tués dans un engagement, ou qui ont été perdus en mer en service actif, ou tués en devoir, ou qui sont morts de blessures reçues dans un engagement ou de blessures reçues en devoir dans les six mois à dater de cet engagement ou de cette blessure ; ou parmi les fils d'officiers de la marine ou de l'armée de marine qui ont servi longtemps et avec distinction. Le nombre à nommer ainsi n'excèdera pas un cinquième du nombre total des étudiants-ingénieurs à admettre. Sauf quant à l'exemption de l'examen de concours, ces candidats seront soumis sous tous rapports aux présents règlements.[*]

Trois brevets d'étudiants-ingénieurs seront donnés annuellement à des fils de gentilshommes dans les colonies sur la recommandation du Secrétaire d'Etat pour les Colonies, pourvu qu'ils passent l'examen requis. Ces candidats seront sujets aux mêmes règlements que les candidats de service nommés [†]

2. Le nombre des admissions qui seront faites chaque année, sera fixé par Leurs Seigneuries.

3. La liste des candidats pour ces admissions par concours public sera gardée au bureau du Commissaire du Service Civil. Toutes demandes de formules à remplir par les personnes désirant concourir doivent être envoyées au "*Secretary, Civil Service Commission, London, S.W.*, le ou après le premier de janvier de chaque année, et il faut veiller à ce que les formules une fois remplies soient renvoyées de manière qu'elles parviennent aux Commissaires du Service Civil le ou avant le 15 *mars suivant*, vu que les formules reçues après cette date seront mises de côté. La liste des candidats nommés sera gardée à l'Amirauté.

4 Les candidats ne devront pas être âgés de moins de quatorze ni de plus de seize ans le premier jour de mai de l'année dans laquelle ils sont examinés.

5. Des certificats d'âge et de mœurs ne seront pas exigés avant l'examen, mais les candidats heureux ne seront éligibles pour admission qu'après avoir fourni des preuves sous ce rapport aux Commissaires du Service Civil.

6. L'examen médical des candidats heureux aura lieu sous le contrôle de Leurs Seigneuries aussitôt que possible après que le résultat de l'examen sur l'éducation aura été connu. Nul candidat ne sera inscrit comme étudiant-ingénieur à moins d'être certifié capable physiquement. Les candidats dans ou près de Londres seront examinés par le directeur général médical de la marine à l'Amirauté. Ceux qui résident près d'un des chantiers de Sa Majesté, ou un des vaisseaux de la première réserve, ou vaisseaux-écoles de la réserve de la marine royale, ou le vaisseau-amiral à Queenstown, seront examinés par l'officier médical y attaché. L'examen médical sera conduit sous tous rapports strictement en conformité des instructions pour l'examen des personnes désirant entrer dans le service naval. Tous les candidats lors de leur examen médical devront prouver à la satisfaction des officiers examinateurs qu'ils ont été revaccinés, ou bien ils devront être revaccinés avant qu'ils puissent être considérés éligibles pour entrer dans le chantier.

7. L'examen sur l'éducation sera tenu par les commissaires du service civil à Londres, Liverpool, Portsmoth, Devonport, Bristol, Leeds, Newcastle-on-Tyne, Edimbourg, Glasgow, Aberdeen, Dublin, Belfast et Cork, et auront lieu dans le mois d'avril chaque année. On pourra s'assurer de la date exacte en s'adressant au secrétaire, commission du service civil, le ou après le premier janvier de chaque année.

12. Les candidats seront informés par une lettre de la Commission du Service Civil, du résultat de leur examen, aussitôt que ce résultat sera connu.

13. Les candidats heureux seront inscrits comme étudiants-ingénieurs au chantier de S.M. à Devonport, vers le 1er juillet de chaque année, et les étudiants en construction navale au nombre de deux seulement par année seront choisis parmi les étudiants-ingénieurs qui ont fait preuve de capacité spéciale à la fin de leur troisième année de service. Les étudiants doivent, conjointement avec leurs parents ou tuteurs, fournir un cautionnement de 300*l.* d'entrer, s'ils en sont requis, au service de Sa Majesté comme aides-ingénieurs, ou comme aides-constructeurs, si, à l'expiration de leur cours ils obtiennent des certificats de bonne conduite et d'efficacité pour entrer dans le service. Ces cautionnements et actes d'apprentissage devront être parfaits sous tous rapports avant que les étudiants puissent être reçus dans le chantier.

[*] Les demandes de nominations devront être faites de manière à être reçues à l'Amirauté avant le premier de février de chaque année, et devront être adressées au Secrétaire de l'Amirauté si le candidat est le fils d'un officier de la marine ou de l'armée de marine ; au Secrétaire Militaire, *Horse Guards*, si le candidat est le fils d'un officier de l'armée ; et au Secrétaire Militaire, Bureau des Indes, si le candidat est le fils d'un officier de l'armée de l'Inde

[†] Les noms des candidats coloniaux devront être reçus à l'Amirauté, du Bureau des Colonies, le ou avant le premier de février de chaque année.

14. Le parent ou tuteur de chaque étudiant-ingénieur inscrit à l'avenir devra faire six paiements annuels pendant les six ans du cours de l'étudiant, savoir : 30*l.* chaque année pour les premiers deux ans, 20*l.* pour la troisième année, 25*l.* pour la quatrième année, et 5*l.* pour chacune des cinquième et sixième années. Toutefois, Leurs Seigneuries pourront, à leur discrétion, réduire ces paiements annuels pendant les quatre premières années dans le cas de fils d'officiers tués ou noyés ou qui ont autrement perdu la vie en service. Si un étudiant quitte le service, ou est renvoyé, les paiements qui auront été faits pour lui seront confisqués.

15. Les paiements seront faits au caissier du chantier auquel l'étudiant est attaché ; le premier paiement doit être fait avant l'entrée de l'étudiant, et les autres le ou avant le 30e jour de juin de chacune des cinq années subséquentes.

16. Les parents ou tuteurs des étudiants seront aussi requis de procurer l'uniforme (voir par. 39) ou autres vêtements, blanchissage et choses nécessaires de chaque étudiant. L'Amirauté fournira la pension, le logement et les soins médicaux. Les étudiants seront tenus de résider dans le chantier ou dans un navire y adjacent.

17. La paie hebdomadaire des étudiants pendant leur cours sera comme suit, à condition qu'ils aient de bonnes notes des officiers :—

Première année....	Un chelin.	Par semaine.
Deuxième “	.... Deux chelins	
Troisième “	.... Trois “	
Quatrième “	.... Cinq “	
Cinquième “	.... Huit “	
Sixième “	.... Dix “	

18. Un congé de cinq semaines (30 jours ouvrables) avec pleine paie sera accordé chaque année à tous les étudiants dont la conduite et les progrès auront donné satisfaction. Ce congé sera pris pendant les vacances de la mi-été et de Noël.

19. Les étudiants ne perdront pas de paie lorsque en congé, ou lorsque blessés. Dans le cas de maladie leur paie sera retranchée après une absence de six mois en tout pendant toute période des douze mois. A l'expiration de ce temps un rapport spécial de chaque cas sera fait à Leurs Seigneuries. Si après douze mois d'absence pour cause de maladie ou de blessure les étudiants sont rapportés comme permanemment ou vraisemblablement incapables d'entrer au service de Sa Majesté comme aides-ingénieurs ou aides-constructeurs, ils seront congédiés. Si, dans le cours de son apprentissage, il se développe chez l'étudiant quelque incapacité physique qui le rende impropre au service, il sera congédié.

20. Les étudiants seront sous la surveillance du surintendant du chantier et d'un corps d'officiers, et soumis aux règles et règlements que Leurs Seigneuries jugeront nécessaires.

21. Les étudiants-ingénieurs qui, dans la première année de leur cours désireront quitter le service, et dont les raisons seront considérées suffisantes, pourront avec le consentement de Leurs Seigneuries, faire canceller leurs actes d'apprentissage et cautionnements, mais cette concession ne doit pas être réclamée comme un droit.

22. La durée d'école des étudiants sera de six ans, laquelle sera divisée entre les chantiers de S. M., Devonport et Portsmouth. Ils recevront une instruction pratique dans les ateliers et seront mis au fait de la construction des navires en fer. Tandis que les étudiants-ingénieurs étudient la construction des navires en fer ils seront sous la direction du constructeur-chef. Ils assisteront aux écoles de chantiers pendant les périodes, et suivront les études qui seront fixées de temps à autre ; ils passeront aussi une partie de leur temps dans le bureau de dessin. Il leur sera fourni les moyens d'acquérir les bases fondamentales des connaissances requises d'un ingénieur naval au sujet des machines et chaudières de marine, y compris les réparations qui peuvent être faites en mer, l'usage pratique des divers instruments employés dans la chambre de la machine, aussi de la construction et fonctionnement du mécanisme de l'éclairage électrique, des torpilles et des canons, et de connaître généralement les devoirs d'un ingénieur naval.

23. Les étudiants seront examinés une fois par année sous la direction du président du collège royal de marine, Greenwich.

L'examen sur l'éducation au chantier de S. M. à Devonport, à la fin de la troisième année d'étude, sera un examen d'aptitudes, et les sujets seront divisés en sujets obligatoires et facultatifs. Les papiers seront arrangés de manière que 40 pour 100 dans les sujets obligatoires seront le degré de capacité pour passer ; les sujets facultatifs toutefois viendront en ligne de compte dans l'ordre de mérite. Les étudiants qui passent l'examen se rendront au chantier de S. M. à Portsmouth, et ceux qui manqueront continueront à servir une autre année à Devonport. Un deuxième manquement entraînera le renvoi du service.

24. Les étudiants qui manquent à Devonport à la fin de leur troisième année d'étude, et entrent à Portsmouth à la fin de leur quatrième année, seront examinés à la fin de leur sixième année de service, c'est-à-dire, après deux ans d'étude à Portsmouth. Dans le cas où ils passeraient leur examen ils ne perdront pas de temps, mais s'ils manquent il ne leur sera donné qu'une seule autre occasion de passer, savoir, à la fin de leur septième année de service.

25. Les étudiants seront examinés sur leurs connaissances pratiques en fait de mécanisme à vapeur et de construction de navires respectivement à la fin des quatrième, cinquième et sixième années de leur service par les officiers de l'Amirauté. Des prix seront décernés annuellement à chaque chantier aux étudiants qui auront les meilleures notes quant à leur habileté comme ouvriers. Le génie pratique et la construction des navires respectivement, seront considérés des sujets essentiels aux examens, et sur les listes indiquant les résultats des examens, les nombres obtenus sur les sujets pratiques seront tenus distincts de ceux obtenus sur les sujets d'éducation. Les étudiants ne seront pas admissibles comme aides-ingénieurs suppléants ou aides-constructeurs suppléants à moins d'obtenir 50 pour 100 du nombre total de points sur le génie pratique ou la construction des navires à leur examen final, ni à moins de faire preuve d'une connaissance suffisante des sujets enseignés dans les écoles de chantiers.

26. L'examen sur l'éducation des étudiants à la fin de leur sixième année d'étude sera un examen d'aptitudes, et les sujets seront divisés en deux catégories, obligatoires et facultatifs. Le degré d'aptitude pour passer sera 40 pour 100 sur les sujets obligatoires.

27. L'examen des étudiants de sixième année sur l'œuvre et la connaissance pratique des devoirs de la chambre de la machine, etc., sera tenue au chantier à temps pour que les certificats nécessaires parviennent à l'Amirauté le ou avant le 23 juin de chaque année, et il comprendra des épreuves de leur habileté comme ouvriers.

28. Les étudiants qui ne réussiront pas aux examens à la fin de leur sixième année pourront continuer à servir une autre année à Portsmouth. S'ils manquent une seconde fois à la fin de la septième année ils seront renvoyés du service. La limite de sept ans ne sera dépassée dans aucun cas.

29. La paie d'un étudiant de septième année sera la même que pour la sixième, et le paiement à faire par le parent ou le tuteur de l'étudiant dans la septième année sera aussi le même que pour la sixième année de service.

30. Les étudiants ne seront pas inscrits comme aides-ingénieurs suppléants ou aides-constructeurs suppléants avant d'être rapportés propres au service de Sa Majesté par les officiers médicaux, et avoir appris à nager.

31. Les étudiants qui passent les examens décrits dans les paragraphes 25, 26, 27 et 30 seront partagés en deux classes suivant les points qu'ils auront obtenus dans le total collectif des sujets obligatoires et facultatifs sur l'éducation et sur les sujets pratiques. Ceux qui obtiennent 50 pour cent, ou plus, du total collectif, auront le privilège d'aller au Collège Royal de Marine, le 1er d'octobre qui suivra l'examen, où ils suivront un cours plus élevé d'instruction. Les étudiants-ingénieurs seront inscrits comme aides-ingénieurs suppléants le 1er de juillet de chaque année, et les étudiants en construction navale seront

inscrits comme aides-constructeurs suppléants. Les étudiants-ingénieurs qui auront obtenu 40 pour cent sur les sujets d'éducation obligatoires mentionnés au paragraphe 26, mais moins que 50 pour cent du total collectif mentionné plus haut, et passent aussi les examens mentionnés aux paragraphes 25, 27 et 30, seront inscrits comme aides-ingénieurs suppléants dans la marine de S. M. le 1er de juillet de chaque année et seront éligibles à recevoir des certificats de troisième classe. Ils n'iront pas au Collège royal de la marine, mais resteront sur les vapeurs de la réserve à Portsmouth pour être appointés sur les navires de Sa Majesté quand leurs services seront requis.

32. Tous les aides-ingénieurs suppléants seront confirmés à la fin de douze mois à compter de leur entrée dans la marine de S.M. si leur conduite et leurs aptitudes sont certifiés comme satisfaisants, et ceux du Collège royal de la marine qui obtiennent des certificats de première et de seconde classe à l'examen final de la première session, pourront compter douze mois et six mois respectivement d'avancement seulement.

33. Si la conduite et les aptitudes d'aucun des aides-ingénieurs suppléants ne sont pas certifiés comme satisfaisants durant ses douze mois de stage, ou s'il manque de passer l'examen final au Collège royal de la marine, sa commission sera retardée de six mois, ou pour telle autre période que décideront Leurs Seigneuries.

34. La paie des aides-ingénieurs suppléants lorsqu'ils sont aux réserves sera de 6s. par jour, et ils recevront 1s. 6d. par jour au lieu de provisions, etc. Lorsqu'ils sont au collège royal de la marine à Greenwich, ils seront pourvus de logements et durant leur première session ils recevront 6s. par jour et 1s. 6d. par jour pour leurs dépenses d'ordinaire.

35. Deux ingénieurs seront choisis annuellement parmi ceux qui seront les premiers à l'examen à la fin de leur premier cours à Greenwich, afin de suivre un autre cours d'instructions scientifiques, s'ils le désirent. Il leur sera permis d'étudier au collège pendant une seconde et troisième session. Ils recevront 7s. 6d. par jour, et 1s. 6d. par jour pour dépense de l'ordinaire. Quand ils auront complété leur troisième session au collège, ils seront envoyés en mer comme ingénieurs, et, après un an de service en mer, ils seront considérés habiles à remplir les vacances dans les emplois civils aux chantiers et à l'Amirauté.

36. Les aides-constructeurs suppléants qui, à la fin de la première session au collège royal de la marine, manquent d'obtenir un rapport satisfaisant de leurs aptitudes, seront requis de se retirer du service, et perdront une moitié du cautionnement à moins que leur manquement ne soit dû à la maladie. La paie des aides-constructeurs suppléants jusqu'au terme de leur cours au collège royal de la marine sera la même que celle des aides-ingénieurs suppléants dans le même service.

Les aides-constructeurs suppléants seuls qui auront obtenu des certificats professionnels de première ou de seconde classe à leur examen final au collège royal de la marine seront admis dans le corps, leurs premiers appointements étant ceux d'aides-constructeurs de troisième classe. Ceux qui obtiennent des certificats de troisième classe ne seront pas admis dans le corps, mais seront admissibles comme dessinateurs dans les chantiers.

Chaque étudiant entrant dans le corps royal de constructeurs navals sera sujet à servir à toute station navale étrangère que l'amirauté désignera ; ils iront aussi en mer, si c'est nécessaire.

La durée de service dans la troisième classe pour tous les aides-constructeurs sera de quatre ans. Si un rapport favorable est fait à la fin de cette période quant à leurs conduite, habileté et industrie, chaque officier sera susceptible de promotion à la seconde classe. Les promotions des aides-constructeurs de la seconde à la première classe sera faite au choix. Les officiers qui auront obtenu des certificats de première classe à leur examen final au collège royal de la marine seront susceptibles d'être promus à la première classe s'ils reçoivent un rapport favorable, après cinq ans de service à compter de la date de leur sortie du collège, et ceux qui auront obtenu des certificats de seconde classe seront de même susceptibles de promotion après sept ans de service.

37. Les aides-ingénieurs qui auront passé leurs seconde et troisième sessions à Greenwich seront attachés durant les vacances entre le 30 de juin et le 1er d'octobre aux chantiers ou aux vapeurs de la réserve, où ils seront employés à dessiner des machines, à assister aux épreuves de machines neuves et réparées, et à acquérir les connaissances professionnelles les plus utiles pour le dessin des machines. Les aides-constructeurs seront aussi attachés aux chantiers durant les vacances, et seront employés à des devoirs découlant de leur position.

38. Un aide-ingénieur ou aide-constructeur qui est choisi à la fin de la première session au Collège royal de la marine pour rester pendant deux autres sessions au collège devra, avant de commencer sa seconde session s'engager par cautionnement en la somme de £500 de ne pas quitter le service de Sa Majesté dans les sept ans après sa sortie de Greenwich. Ceci est dans le but de défrayer les frais encourus par le public pour son éducation. La résignation doit dans tous les cas être soumise à l'approbation de Leurs Seigneuries.

39. Les Etudiants seront munis de :

2 tuniques d'uniforme }

ORDRES EN CONSEIL.

HOTEL DU GOUVERNEMENT, OTTAWA.

Jeudi, 12 janvier 1888.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR la recommandation du Surintendant Général des affaires des Sauvages, et en vertu des dispositions de la 54ème section du chapitre 43 des Statuts revisés du Canada, intitulé "Acte concernant les Sauvages,"—

Il a plu à Son Excellence en conseil d'ordonner et il est par le présent ordonné, que les règlements suivants réglant la vente du bois sur les terres des Sauvages, dans les provinces d'Ontario et Québec, soient et ils sont par le présent adoptés et établis :—

1. Le Surintendant Général des Affaires des Sauvages aura le pouvoir discrétionnaire, de faire arpenter les lignes limitrophes de toute limite licenciée, non encore arpentée, ou dont les lignes d'arpentage auront été détruites par le feu ou par toute autre cause, les frais d'arpentage seront à la charge du porteur de la licence, et au cas où deux ou plusieurs possesseurs de licences sont intéressés, le Surintendant Général des Affaires des Sauvages devra déterminer la proportion des frais à être supportés par chacun d'eux, et ces frais constitueront une charge sur la limite à bois, et devront être payés en même temps que la rente foncière avant le renouvellement de la licence.

2. Avant d'accorder aucune licence pour de nouvelles limites à bois dans des terres ou réserves de Sauvages non encore arpentées, le Surintendant Général des Affaires des Sauvages, devra faire arpenter les dites limites, et il aura le pouvoir de faire subdiviser toute réserve ou autre terre de Sauvages en autant de limites à bois qu'il le jugera convenable.

3. Il sera fait une exploration et une évaluation des limites quand elles auront été arpentées, ainsi que des limites dans un territoire déjà arpenté, elles seront ensuite mises en vente par encan public au prix fixé par l'évaluation, aux temps et lieu, et sujettes aux conditions, et par l'officier, désignés par le Surintendant des Affaires des Sauvages, par avis public à cet effet, et seront vendues au plus haut enchérisseur pour de l'argent comptant au temps de la vente.

4. Toutes limites confisquées pourront être offertes en vente par encan public, et telle vente devra se faire au prix fixé par évaluation, et aux temps et lieu qu'il plaira au Surintendant Général de fixer par avis public, et seront adjugées au plus haut enchérisseur effectuant le paiement lors de la vente; mais au cas où la dite limite ne serait pas alors vendue, elle pourra être accordée à celui qui en fera la demande et qui consentira à payer le dit prix fixé par l'évaluation, ainsi que la rente foncière, ou à toutes autres conditions qu'il plaira au Surintendant Général des affaires des Sauvages d'imposer.

5. Les possesseurs de licences qui se seront conformés à tous les règlements en force, auront droit à faire renouveler leurs licences, sur demande par eux faite au Surintendant Général des affaires des Sauvages.

6. Il sera du devoir du Surintendant Général des Affaires des Sauvages de garder un registre de toutes licences accordées ou renouvelées, et de tous transferts des dites licences, et il sera du devoir de l'agent des Sauvages, ou de l'agent des terres des Sauvages de l'endroit de garder une copie de tel registre, avec un plan des limites licenciées, et telle copie devra être tenue à la disposition du public pour inspection.

7. Tous transferts de limites à bois devront être faits par écrit, mais sujets à l'approbation du Surintendant Général des Affaires des Sauvages, à qui ils devront être transmis pour être approuvés ou rejetés, et ils ne seront valides qu'à partir du moment de l'approbation qui devra être faite par écrit. Dans tous les cas de transferts de limites, ces transferts seront sujets au paiement de deux piastres par mille carré sur chaque limite, et en proportion, si une partie seulement de la dite limite est transférée, ou si le détenteur de licence s'adjoint un ou plusieurs associés.

8. Les limites à bois devront être désignées, dans les nouvelles licences, comme " ne devant pas affecter des licences antérieures ou devant être renouvelées en vertu des règlements."

Quand la description d'une limite ou ligne limitrophe, telle que donnée dans une licence, diffère de la description d'une autre limite ou d'un autre territoire, la license d'origine plus récente (remontant seulement au temps où telle licence, ou licence antérieure, dont elle est le renouvellement, a été accordée pour la première fois) sera mise de côté, et le Surintendant Général des Affaires des Sauvages aura le pouvoir d'amender ou d'annuler la dite licence en tout ou en partie, et en substituer une autre, de manière à corriger la description de la limite qu'on avait l'intention de licencier, et dans tous les cas où une licence a été émanée par erreur, ou est incompatible avec une autre licence, ou incompatible avec les règlements en vertu desquels elle a été accordée, le Surintendant Général des Affaires des Sauvages aura le pouvoir de la faire annuler, ou amender, ou il pourra référer toutes questions disputées, concernant les lignes limitrophes et la position des limites à bois, à l'arbitrage, chacune des parties en litige devant choisir un arbitre, et le Surintendant Général des Affaires des Sauvages en choisir un troisième, fixant un jour, le ou avant lequel la décision des arbitres sera rendue aux parties, et telle décision sera considérée comme finale.

9. Le bois coupé sur les limites dont la licence a été suspendue, ou n'a pas été encore émanée, sera considéré comme ayant été coupé sans autorité et sera traité en conséquence.

10. Il est défendu aux acquéreurs de terres des Sauvages, qui ne se sont pas conformés à toutes les conditions de la vente, d'y couper du bois ou des billots, ou d'en disposer en faveur d'autres personnes, à moins que ce ne soit en vertu d'une licence de colon, ou pour des fins de défrichement, de clôturage ou de construction. Les personnes prises sur le fait seront passibles des pénalités imposées par la loi, pour avoir coupé du bois sur les terres des Sauvages sans autorité. Sur toutes terres vendues à ou après l'émanation d'une licence, le licencié a le privilège, en vertu de la dite licence, de ne couper aucune espèce de bois excepté l'épinette et le pin marchands, qu'il peut continuer à couper jusqu'à ce que l'acquéreur de la terre ait rempli toutes les conditions de vente lui donnant droit à des lettres patentes, et à ce moment le droit du licencié de couper de l'épinette et du pin prendra fin, mais l'avis au licencié sera à la charge de l'acquéreur, et s'il en est requis, il devra fournir des preuves suffisantes pour établir qu'il a rempli les dites conditions de la vente.

11. Toutes licences de bois expireront le 30 avril, suivant la date du présent et toutes applications de renouvellement devront être faites avant le 1er de juillet suivant l'expiration de la dernière licence, à défaut de quoi les locations seront, *de facto*, considérées confisquées.

12. Il ne sera pas accordé de renouvellement de licence, à moins que les travaux convenables n'aient été faits sur la milite pendant la saison précédente, ou que des raisons suffisantes ne soient données, à la satisfaction du Surintendant Général des affaires des Sauvages, pourquoi les travaux n'ont pas été faits sur la limite, et à moins que la rente foncière et tous frais d'arpentage, et toutes sommes dues sur le bois, les billots ou autre bois coupé en vertu d'une licence autre que la précédente, n'aient été payés.

13. Toutes locations ou limites à bois seront sujettes à une rente foncière annuelle de $3 par mille carré, payable d'avance, avant l'émanation d'une licence ou d'un renouvellement. Et en calculant la rente foncière, aucune licence ne sera sujette à une rente moindre que celle de huit milles carrés.

14. Tout bois carré, billots ou autres bois, coupé en vertu d'une licence actuellement en force, ou en vertu d'une licence qui pourra être accordée ci-après, seront sujets au tarif suivant :—

Les droits sur l'érable et sur l'orme de marais, coupés en vertu d'une licence sur la Péninsule de Saugeen, ont été réduits à $1.00 par M pieds, mesure de planche, et $15.00 par M pieds cubes.

15. Les droits sur le bois seront chargés sur les quantités établies par la spécification de mesurage fournie par le licencié ou son surintendent à l'agent des Sauvages de la localité, ou au Surintendant Général des affaires des Sauvages, ou par tout autre mesurage reconnu,—mais dans les cas où il sera impossible d'obtenir le mesurage ci-haut, chaque morceau de pin blanc sera considéré comme contenant 70 pieds cubes, le pin rouge 38 pieds cubes, le chêne 50 pieds, et l'orme 45 pieds, et tout autre bois 34 pieds cubes.

16. Tous licenciés ou occupants de limites à bois devront fournir, par eux-mêmes, leurs agents, mesureurs ou surintendants, à l'agent ou aux agents nommés à cet effet par le Surintendant Général des affaires des Sauvages, et aux temps et lieux exigés par tel agent ou tels agents,—preuve satisfaisante concernant l'endroit où le bois et les billots en leur possession ont été coupés, donnant un état des quantités et qualités du bois et des billots, y compris les billots de rebut (culls) coupés par eux-mêmes ou par d'autres, à leur connaissance, sur chaque limite à bois occupée par lui ou eux respectivement, indiquant, s'il y a lieu, la quantité coupée sur les terres de colons, donnant les noms des dits colons, le nom du township, et le numéro de chaque lot et concession, produisant en même temps, pour être examinés par l'agent ou les agents, les livres de compte et de mesurage du bois et des billots sous son ou leur contrôle ; ils devront en outre fournir aux agents toutes autres informations et facilités requises pour leur permettre d'arriver à une décision satisfaisante relativement à la quantité et à la qualité du bois et des billots faits par lui ou eux, ou en sa ou leur possession respectivement, sur lesquels des droits du gouvernement sont payables ; et dans le cas où l'agent ou les agents jugeront nécessaire de faire compter et mesurer le bois et les billots, le licencié ou l'occupant de la dite limite à bois, ou leurs agents mesureurs et surintendants, devront aider à compter et à mesurer tel que mentionné ci-dessus ; mais au cas où le licencié ou occupant, ou leurs agents, ne rempliront pas ces conditions, le licencié perdra le droit au renouvellement de sa licence, et la limite deviendra vacante. Et pour permettre aux personnes qui vendent leur bois en vertu d'une licence de colon d'obtenir le remboursement des droits, et permettre au bois coupé sur des terres concédées par lettres patentes de passer en franchise, les parties intéressées devront prouver, sous serment prêté devant le ou les dits agents, et à leur satisfaction, la quantité et la qualité du bois et des billots coupés sur chaque lot respectivement. Et au cas où la preuve paraîtra insuffisante, le ou les dits agents pourra la compléter en faisant faire un examen sévère des souches et donner un certificat en conséquence.

17. Le Surintendant Général des Affaires des Sauvages, ou tout agent autorisé, aura en tout temps accès aux livres et memoranda tenus par un licencié établissant la quantité de bois, en mesure de planche, scié par lui, des billots coupés sur sa limite à bois, et aura le pouvoir de les examiner, et à défaut de produire les dits livres et memoranda quand il en sera requis, il s'exposera à perdre le droit de renouvellement de sa licence.

18. Dans le cas où un licencié n'aurait pas payé ou aurait éludé le paiement des droits de coupe dus à la Couronne sur quelque partie de son bois ou de ses billots, ces droits peuvent être prélevés sur aucun autre bois à lui appartenant, coupé en vertu de licence, en sus des droits dus sur ce bois.

19. Avant d'enlever aucun radeau ou partie de radeau de bois carré, ou billots, de l'agence dans laquelle ce bois aura été coupé, le propriétaire ou la personne en charge du dit radeau devra en faire rapport à l'agent des Sauvages pour la localité, faisant, s'il est nécessaire, une déclaration sous serment, de l'endroit où le dit bois a été coupé, du nombre de morceaux de chaque espèce de bois contenu dans chaque radeau ou partie de radeau, du nombre de petits radeaux (cribs), mentionnant en même temps la quantité et la qualité des pièces coupées sur les terres des particuliers, ou sur des terres en vertu d'une licence de colon, donnant les noms des propriétaires ou des licenciés des dites terres, avec les noms des townships et le numéro de chaque lot et concession, et au cas où le dit agent des Sauvages ne serait pas satisfait de la justesse du rapport, il fera compter avec soin le bois contenu dans le dit radeau, et aussitôt satisfait de la justesse du rapport ou du compte, l'agent des Sauvages pourra accorder un certificat d'acquit, en due forme, pour le dit radeau établissant le nombre de morceaux et la description du bois qui y est contenu, établissant la différence entre le bois coupé sur des terres privées et en vertu de licences de colons, de celui coupé sur des terres ou réserves de Sauvages.

20. A l'arrivée de chacun de ces radeaux ou parties de radeaux à destination, à Québec, Sorel, Montréal ou autre port intermédiaire de vente ou de débarquement, le propriétaire ou celui qui en a la charge en fera, dans l'intervalle de vingt-quatre heures, le rapport au percepteur des droits sur les bois de la Couronne, ou si c'est à Sorel ou Montréal, au député surintendant des mesureurs de bois, et au cas où la spécification de mesurage se trouverait contenir un plus grand nombre de pièces de bois que celui mentionné dans l'acquit, le surplus sera considéré comme ayant été coupé sur les terres des Sauvages sans autorité, et sera en conséquence sujet au paiement des droits.

21. On pourra refuser d'émaner des licences aux personnes qui négligeront d'obtenir leur acquit à l'agence ou de faire rapport de l'arrivée du radeau à sa destination tel que mentionné plus haut, et ces personnes seront sujettes à la confiscation de leur bois pour infractions aux règlements, tel que pourvu au chap. 43 des Statuts Revisés du Canada.

22. Les personnes qui refuseront ou éviteront le paiement des droits sur leur bois, ou le règlement final des obligations ou billets promissoires pour le paiement d'iceux, ou qui seront en défaut avec le département ou l'agent des Sauvages, et les personnes qui prendront forcément possession de terrain en litige avant d'avoir obtenu une décision en leur faveur et ceux qui refuseront de se conformer aux décisions des arbitres ou aux règlements établis par

ordre en conseil, ou qui troubleront forcément les arpenteurs, perdront leurs droits à d'autres licences et leurs locations seront confisquées à l'expiration de leurs licences.

23. Tous droits sur les bois coupés sous licence, qui n'auront pas été payés au 30 novembre suivant la saison pendant laquelle ils auront été coupés, seront sujets à l'intérêt à partir de cette date, sans préjudice aux pouvoirs qu'a la Couronne d'exiger le paiement de ces droits arriérés en aucun temps jugé convenable par le Surintendant Général des affaires des Sauvages.

24. Les acheteurs de terres des Sauvages qui n'ont pas complété les conditions de leurs ventes, et qui n'ont pas obtenu de lettres patentes pour les dites terres, qui y couperont du bois sans licence (si ce n'est pour faire de la terre, pour bâtir ou construire des clôtures) ou autres qui le feront par leur permission, seront passibles des pénalités imposées par la loi dans le cas de bois coupé sans licence.

25. Avant l'émanation d'une licence, le licencié ou les licenciés devront lui-même ou eux-mêmes fournir un cautionnement, accompagné de deux cautions responsables, pour le montant considéré nécessaire par le Surintendant Général des affaires des Sauvages pour assurer les travaux nécessaires sur la limite, l'accomplissement des conditions de la licence et l'observation des règlements du département relativement au bois à être coupé. Le fait de fournir le dit cautionnement, n'enlèvera pas au Surintendant Général des affaires des Sauvages ou à son agent, le droit de prélèvement sur tout bois coupé par ou appartenant au détenteur ou aux détenteurs de la licence, ni le droit d'annuler la dite licence, au cas où il y aurait cause suffisante pour ce faire.

26. Les licences seront données dans la formule suivante, en triple, et la description de la licence devra être écrite au dos de la licence, et devra être datée et signée par le Surintendant Général des affaires des Sauvages, aussi bien que la licence même ; les doubles devront être gardés de record par l'agent des Sauvages de la localité.

27. FORME DE LA LICENCE.

Licence pour couper du bois sur les terres des Sauvages.

* * * * *

Les limites à bois comprises dans la présente licence sont les suivantes :

* * * * *

28. Toutes personnes coupant du bois sur les terres publiques sans autorité de licence seront punies tel que pourvu par la loi :—

Toute personne résistant ou suscitant des entraves à aucun officier ou agent du département des affaires des Sauvages, dans l'exécution de son devoir en saisissant du bois coupé illégalement, ou enlevant ou faisant enlever du bois saisi en vertu de l'acte chap. 43 des Statuts Revisés du Canada se rend coupable de félonie.

Les personnes qui coupent du bois sur des terres qu'elles ont achetées sous prétexte de les établir, mais en réalité dans le but d'en enlever le bois, se rendent coupables du même délit.

Les contracteurs de chemins à lisses et autres qui coupent ou font couper sur les terres publiques et sur les terres vendues, mais non patentées, du bois pour servir à la construction de chemins à lisses, se rendront coupables des mêmes délits que ci-haut et sont passibles des mêmes peines.

29. A dater de la passation des présents règlements, dans le cas où des bois quoique coupés en contravention à la loi, l'ont été de bonne foi par

erreur sur les terres publiques par les détenteurs de licences ou toutes autres personnes, il sera permis au Surintendant Général des affaires des Sauvages d'exiger, en règlement des bois ainsi coupés, une pénalité équivalente à une somme, double, triple ou quadruple des droits ordinaires tels qu'établis par le tarif ci-haut suivant les circonstances, en outre les frais de saisie, et toutes autres dépenses encourues pour s'enquérir des faits relatifs aux bois ainsi coupés en contravention à la loi.

30. Il ne sera plus permis à l'avenir de couper sur les terres des Sauvages des arbres de pin mesurant moins de 9 pouces de diamètre sur la souche.

TRANSFERTS.

31. Tous les propriétaires de limites devront notifier le Surintendant Général des affaires des Sauvages des transferts qu'ils auront pu effectuer, aussitôt qu'une transaction de cette nature aura eu lieu, et s'ils manquaient d'en donner avis en temps voulu au Surintendant Général des affaires des Sauvages, il pourra alors ordonner la confiscation de telle licence ou licences comprenant la limite ou limites ainsi transférées.

32. Les possesseurs de limites, pour l'avantage de pouvoir obtenir les capitaux nécessaires à leurs opérations sur icelles auront le privilège d'affecter les dites limites en garantie sans répétition de bonus. Pour avoir sa valeur sur la limite contre le débiteur, cette garantie devra être notée sur le dos de la licence par un officier du Département des Affaires des Sauvages autorisé à cet effet. Mais, si la partie qui aura donné telle garantie ne remplit pas ses obligations envers le créancier, celui-ci, en établissant le fait à la satisfaction du Surintendant Général des affaires des Sauvages, pourra obtenir le renouvellement suivant de la licence en son propre nom, sujet au paiement du bonus, le transfert étant alors considéré parfait.

33. Les transferts de locations devront être faits par écrit; et, si le Département des affaires des Sauvages ou l'agent local les approuve, ils seront valides à dater du jour où ils auront été déposés entre les mains de ce dernier; mais aucun transfert ne sera accepté, si la personne faisant ce transfert, est arriérée dans ses paiements à la Couronne pour droits sur les bois.

ARPENTAGES.

34. Le département des affaires des Sauvages donnera, lorsqu'il en sera requis par des possesseurs de limites voisines conjointement, des instructions sur la manière d'arpenter et d'établir les limites de ces terrains pour être conformes aux licences actuelles. Les arpentages seront faits aux frais des requérants qui devront remettre au dit département, copies des plans, rapports et autres détails de ces arpentages pour être par lui examinés et approuvés. Ces copies seront payées et elles seront gardées de record par le département.

Les bornes ainsi établies, à la requisition des parties intéressées conjointement, seront fixes et permanentes et ne pourront être changées.

35. Dans le cas où un possesseur de limites refuserait de se joindre à son voisin pour faire arpenter une ligne limitrophe, celui qui désire l'arpentage aura le droit de le faire à ses propres frais en vertu d'instructions qui lui seront fournies à cet effet, tel que pourvu dans la clause qui précède.

Lorsque l'arpentage sera terminé, avis en sera donné par écrit à la partie adverse, à sa résidence ou à son bureau d'affaires. Et si, à l'expiration d'une année à partir de la date de la signification de tel avis, la partie adverse n'y a fait aucune opposition en la manière ci-après prescrite, ou si l'ayant faite, elle n'a pas été maintenue, la ligne ainsi arpentée sera permanemment et irrévocablement fixée. Mais si, dans l'espace d'une année à compter de la date de cet avis, ce dernier montre qu'il a des raisons suffisantes de douter de l'exactitude de cet arpentage, et dépose entre les mains de l'agent du département des affaires des Sauvages telle somme d'argent que celui-ci spécifiera comme étant suffisante pour couvrir toutes les dépenses d'un nouvel arpentage, le Surintendant Général des affaires des Sauvages nommera un arpenteur pour établir finalement la ligne limitrophe en dispute, et ce second arpentage sera obligatoire envers les parties intéressées. Toutes les dépenses en seront supportées par le réclamant, si ces objections ne sont pas soutenues. Si, au contraire, elles sont confirmées, et le premier arpentage est déclaré erroné, les dépenses seront supportées à parts égales par les deux parties.

36. Toutes les lignes ou bornes de limites déjà établies en vertu d'instructions officielles sont par le présent déclarées valides et permanentes, si un rapport ou des notes d'arpentage ou au moins un plan les désignant, ont été filés de record dans le département des affaires des Sauvages, et si dans l'espace d'une année à compter de la date à laquelle ces documents ou plans ont été filés, il ne soit fait aucune réclamation contre leur exactitude. Si au contraire dans le cours de ce délai, une des parties intéressées réclame, il sera fait un arpentage final tel que prescrit dans la 35ème clause des présentes, à moins toutefois que les parties intéressées ne s'arrangent entre elles pour faire faire un arpentage final en vertu de la clause 34ème.

NOTE.—La compagnie d'assurance des Citoyens du Canada a cessé de faire des opérations de garantie et a réassuré ses polices existantes dans la compagnie de garantie de l'Amérique du Nord. Le dépôt pour cette branche d'affaires est de $11,000 en bons de municipalités, somme qui est encore entre les mains du receveur général.

Les affaires de l'Association générale sur la vie *Briton Médical* de Londres, Aug., sont en liquidation, des ordres ayant été rendus par les cours d'Ontario et Québec, dans le but de régler les affaires de la compagnie en Canada, et la distribution du dépôt retenu par le receveur général, dépôt qui se monte à $103,370. Il y eu appel des deux ordres susdits, mais les appels ont été retirés, et des procédures se font maintenant pour régler les affaires canadiennes de la compagnie.

Le permis de la Compagnie d'assurance *Hand in Hand* est expiré le 31 mars 1887, et n'a pas été renouvelé parce que sous "l'Acte des assurances" le privilège d'obtenir un permis fédéral dans le cas de compagnies ayant des chartes provinciales est restreint aux compagnies qui font des opérations d'assurance sur la vie. La *Hand in Hand* continue les assurances sur glaces dans l'Ontario en vertu d'un permis provincial, mais a cessé de faire des opérations dans les autres provinces du Canada. Le dépôt de $5,000 reste entre les mains du receveur général.

Le permis de l'Association sur le vie du Canada est expiré le 31 mars, et n'a pas été renouvelé. Les avis exigés par la loi lorsqu'une compagnie veut retirer ses dépôts ont été donnés par la compagnie, et une partie en a été remboursée ; le receveur général a retenu un montant suffisant pour couvrir la valeur nette de rachat des polices en vigueur.

Les avis exigés par la loi pour le retrait du dépôt de la *Briton Life Association* (*limited*), ont été donnés par la compagnie.

CHAPTER 67.

An Act to amend the Superannuation Acts, 1834 and 1859; and for other purposes.

[16th September, 1887.]

Be it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of he Lords Spiritual and Temporal, and Commons, in his present Parliament assembled, and by the authoity of the same, as follows:

Grant of gratuity or allowance to injured civil servant.

1.—(1) Where a person employed in the civil service of the state is injured—

(*a*) in the actual discharge of his duty; and
(*b*) without his own default; and
(*c*) by some injury specifically attributable to the nature of his duty,

he Treasury may grant to him, or, if he dies from the njury, to his widow, his mother, if wholly dependent on him at the time of his death, and to his children, or to any of them, such gratuity or annual allowance as the Treasury may consider reasonable, and as may be permitted by the terms of a warrant under this section.

(2) The Treasury shall forthwith after the passing of this Act frame a warrant regulating the grant of gratuities and annual allowances under this section, and the warrant so framed shall be laid before Parliament.

(3.) Provided that a gratuity under this section shall not exceed one year's salary of the person injured, and an allowance under this section shall not, together with any superannuation allowance to which he is otherwise entitled, exceed the salary of the person injured, or three hundred pounds a year, whichever is less.

Power to grant retiring allowance to persons removed.

2.—(1) Where a civil servant is removed from his office on the ground of his inability to discharge efficiently the duties of his office, and a superannuation allowance cannot lawfully be granted to him under the Superannuation Acts 1834 and 1859, and the Treasury think that the special circumstances of the case justify the grant to him of a retiring allowance, they may grant to him such retiring allowance as they think just and proper, but in no case exceeding the amount for which his length of service would qualify him under sections two and four of the Superannuation Act, 1859, without any addition under section seven of that Act.

(2.) A minute of the Treasury granting an allowance under this section to any civil servant shall set forth the amount of the allowance granted to him, and the reasons for such allowance, and shall be laid before Parliament: Provided that the Treasury before making the grant shall consider any representation which the civil servant removed may have submitted to them.

Reckoning of temporary services.

3. Where a person at the time he becomes a civil servant within the meaning of this Act is serving the State in a temporary capacity, the Treasury may, if in their opinion any special circumstances of the case warrant such a course, direct that his service in that capacity may be reckoned for the purposes of the Superannuation Acts, 1834 and 1859, and this Act, as service in the capacity of a civil servant, and it shall be so reckoned accordingly.

Compassionate gratuity on retirement of person not entitled to superannuation.

4. If a person employed in any public department in a capacity in respect of which a superannuation allowance cannot be granted under the Superannuation Act, 1859, retires, or is removed from his employment, and

(*a*.) the employment is one to which he was required to devote his whole time, and
(*b*.) the remuneration for the employment was paid entirely out of moneys provided by Parliament, and
(*c*.) he has served in the employment for not less than seven years, if he is removed in consequence of the abolition of his employment, or for the purpose of facilitating improvements in the organisation of the department by which economy can be effected, or for not less than fifteen years if his retirement is caused from infirmity of mind or body, permanently incapacitating him from the duties of his employment,

the Treasury may, if they think fit, grant to him a compassionate gratuity not exceeding one pound or one week's pay, whichever is the greater, for each year of his service in his employment.

5. A person shall not be entitled to reckon the same period of time both for the purpose of a superannuation allowance under the Superannuation Acts, 1834 and 1859, and this Act, and also for the purpose of naval or military non-effective pay.

Regulations as to officers receiving half-pay or retired pay.

6.—(1.) The Treasury may, within one month after the passing of this Act, frame rules as to the conditions on which any civil employment of profit under any public department as defined by this Act, or any employment of profit under the Government of any British possession, or any employment under the Government of any Foreign State may be accepted or held by any person who is in receipt of or has received any sum granted by Parliament for the pay, half pay, or retired pay of officers of Her Majesty's naval or land forces, or otherwise for payment for past service in either of such forces, or who has commuted the right to receive the same, and as to the effect of such acceptance or holding on the said pay or sum, and the Treasury may in such rules provide for the enforcement thereof by the forfeiture, suspension, or reduction of any such pay or sum as aforesaid, or of any commutation money or remuneration for such employment.

(2.) Such rules shall also provide for the returns to be laid before Parliament of such officers accepting employment as are affected by the rules, and shall come into operation at the date of the passing of this Act.

(3.) The rules shall be laid before both Houses of Parliament forthwith.

(4.) For the purposes of this section "British possession" means any part of Her Majesty's dominions out of the United Kingdom, and this section shall apply to Cyprus as if it were a British possession.

Provision as to lunatics.

7.—(1.) Where any sum in respect of pay, pension, superannuation, or other allowance or annuity is due in respect either of service as a civil servant, or of military or naval service, to a person who is a lunatic, whether so found by inquisition or not, such sum may be from time to time applied for his benefit by the prescribed public department in such manner as the department think expedient.

(2.) Where any annuity, whether pension, superannuation, or other allowance, is payable out of moneys provided by Parliament to a person in respect either of service as a civil servant or of military or naval service, and such person is or becomes a lunatic towards whose maintenance a contribution is made out of money provided by Parliament, then as long as the contribution is made his annuity shall be reduced by an amount equal to that contribution, and if the amount of the contribution exceeds the amount of the annuity, the annuity shall cease to be payable.

Distribution of money not exceeding 100l. without probate.

8. On the death of a person to whom any sum not exceeding one hundred pounds is due from a public department in respect of any civil pay, superannuation, or other allowance, annuity or gratuity, then, if the prescribed public department so direct, but subject to the regulations (if any) made by the Treasury, probate or other proof of the title of the personal representative of the deceased person may be dispensed with, and the said sum may be paid or distributed to or among the persons appearing to the public department to be beneficially entitled to the personal estate of the deceased person, or to or among any one or more of those persons, or in case of the illegitimacy of the deceased person or his children, to or among such persons as the department may think fit, and the department shall be discharged from all liability in respect of any such payment or distribution.

Decision of Treasury.

9. The decision of the Treasury on any question which arises as to the application of any section of this Act to any person, or as to the amount of any allowance or gratuity under this Act, or as to the reckoning of any service for such allowance or gratuity, shall be final.

Saving for existing interests.

10. Nothing in this Act shall be construed so as in any way to interfere with the rights existing at the passing of this Act of any civil servant then holding office.

Laying of warrant and minutes before Parliament.

11. Every warrant and minute under this Act which is required to be laid before Parliament shall be laid before both Houses of Parliament in manner provided by section thirteen of the Superannuation Act, 1859.

Copy of the Rules drawn up by the Treasury under Clause 6 of the Superannuation Acts Amendment Bill of this Session.

RULES UNDER SECTION 6 OF THE SUPERANNUATION ACT, 1887.

WHEREAS by the Superannuation Act, 1887, the Commissioners of Her Majesty's Treasury are authorised to frame rules as to the conditions on which any civil employment of profit under any public department or any employment of profit under the Government of any British Possession, or any employment under the Government of any foreign State, may be accepted by any person who is in receipt of any sum granted by Parliament for the pay, half-pay, or retired pay of officers of Her Majesty's naval or military forces, regular or auxiliary, or otherwise, for past service in such forces; or who has commuted the right to receive the same or has retired with a gratuity; and otherwise, as in the said Act mentioned:

And whereas the general principle adopted by Parliament has been that where any person receiving non-effective pay on account of service to the State accepts fresh State employment, the State should benefit by some saving upon the sums otherwise payable to such person on account of his non-effective pay and of the emoluments of his fresh employment:

And whereas such saving has been heretofore effected by means of a reduction of the non-effective pay, and it appears to the Commissioners of Her Majesty's Treasury expedient that in the case of officers accepting certain civil employments of profit, such saving should be effected by reduction of the emoluments of the fresh employment instead of by reduction of the non-effective pay:

Now, therefore, the Commissioners of Her Majesty's Treasury, in pursuance of the powers conferred on them by the Superannuation Act, 1887, and of every other power enabling them in this behalf, do hereby make the following rules:—

In these rules:—

1. (*a.*) The expression "non-effective pay," shall mean any half-pay or retired pay, or other payment granted by Parliament for officers in Her Majesty's naval or land forces, on account of past service in some portion of those forces, but does not include rewards for distinguished or meritorious service, nor pensions for wounds.

(*b.*) The expression "civil employment of profit under any public department," means any employment the profits of which are derived from any of the following funds which are hereby declared to be public funds, viz:—

a. The Consolidated Fund.
b. Money voted by Parliament, or receipts taken in reduction of such money.
c. Land or hereditary revenues of the Crown.
d. Crown revenue of the Channel Islands.
e. Mercantile Marine Fund.
f. Funds of Greenwich or Chelsea Hospital.
g. Any other fund which, either from its being administered by a public department, or from its receiving a contribution out of any of the above-mentioned funds, the Treasury may from time to time determine to be a public fund;

but does not include any such employment as the Treasury, having regard to the regulation of the Admiralty and the War Department, determine to be a naval or military employment.

(*c.*) The expression "naval" shall include "marine," and the expression "navy" shall include the marines.

(*d.*) The expression "officer" shall mean any officer who holds or has retired from a commission in any of the Imperial forces, or who has retired with a gratuity or upon non-effective pay, whether he have commuted such non-effective pay or not.

(*e.*) The expression "Imperial forces" means Her Majesty's Imperial, naval or land forces.

(*f.*) The expression "Colonial Government" means the Government of any Colony, and includes the Government of Cyprus.

(*g.*) Other expressions have the same meaning as in the Superannuation Act, 1887.

I.—Acceptance of office.

2. An officer who is on the half-pay or retired list, or who has commuted his non-effective pay, or retired from the Imperial forces with a gratuity, before accepting any civil employment of profit under any public department or any employment of profit under the Government of any British Possession, or any employment under the Government of any foreign State, shall obtain the consent of the Admiralty or the War Department, as the case may be, and the continuance of such consent shall be a condition of his holding such employment; and such consent, when given, and a withdrawal of such consent, shall be communicated by the giver to the Treasury.

3. If any officer fail to obtain such consent, or if he continues to hold such employment after the consent is withdrawn, he shall be liable to have his non-effective pay suspended or reduced, either permanently or temporarily, according as the Treasury may direct, and if he have commuted such pay or retired with a gratuity, shall be liable to pay to Her Majesty the amount of commutation money or gratuity, or such portion thereof as the Treasury may direct.

II.—Receipt of naval or military non-effective pay by an officer holding a civil employment of profit.

4. If any such officer as is mentioned in Rule 2 accept any civil employment of profit under any public department (other than in Her Majesty's Household), and such officer either continues whilst holding the said employment to draw any non-effective pay, or has commuted such pay, or has retired with a gratuity from Navy or Army funds, the profits of his civil employment shall be subject to abatement under the following conditions:—

(*a.*) If the annual amount of his non-effective pay, whether in actual course of payment or commuted or represented by a gratuity valued as hereinafter mentioned, and the profits of his civil employment together exceed 400*l.* per annum, the profits of his civil employment shall be abated by such an amount, not being less than 10 per cent. thereof, as may be determined by the Treasury in concert with the department employing the officer; provided that no abatement shall be made by reason of this rule, which exceeds the amount of the officer's non-effective pay or reduces his total emoluments to less than 400*l.* per annum.

(*b.*) For the purposes of sub-section (*a*) the annual value of non-effective pay which has been commuted shall be the amount of such pay at the time of commutation, and the value of a gratuity shall be determined, actuarially, according to the prospects of life of the officer at the date of his receipt of such gratuity.

5. (1.) It shall be competent to the Treasury, on the recommendation of the Admiralty or War Department, as the case may be, from time to time to exempt any civil employment under a naval or military department, from the operation of Rule 4, or to bring the same back within its operation.

(2.) It shall be competent to the Treasury from time to time to exempt any other civil employment from the operation of Rule 4, for such time as they may deem fit, on the ground of such employment being of a temporary or casual character, or of its profits being petty or uncertain, or of the nature of fees for piecework.

6. In case of doubt arising either as to whether the funds from which the profits of a civil employment are derived are public funds or as to what is, for the purposes of Rule 4, the annual value of non-effective pay, or of a gratuity, or of the profits of a civil employment, the decision on the point shall rest with the Treasury.

7. No such officer as is mentioned in Rule 2 shall accept any civil employment of profit under any public department, otherwise than on condition that no pension shall be granted to him in respect of that employment, which, when added to his non-effective pay, shall exceed two thirds of the emoluments of that employment, or a total of 1,000*l.* a year, whichever may be the greater.

But, if such officer's civil employment have been declared, by order under Section 4 of the Superannuation Act, 1859, to be a professional office, he may, subject to the above limitation of the amount of pension, elect on his retirement:

(*a.*) Either to retain his non-effective pay, together with a pension calculated on his actual service in the professional office, or;

(*b.*) To relinquish his non-effective pay, and to receive a pension calculated on his actual service in the professional office, together with the addition of years granted by the order.

8. Nothing in these rules shall abridge or supersede any power of abatement of an officer's non-effective pay or emoluments possessed in other respects by the Treasury, or by any other public department.

9. A return shall be laid before Parliament in every year of the number of officers who, having non-effective pay, or having commuted their non-effective pay, or having retired on a gratuity from Navy or Army funds, have been granted by the Admiralty or War Department permission, under Rule 2, to hold any civil employment of profit under a public department, specifying the names of such officers and the respective amounts of their non-effective pay and their emoluments, and the abatement, if any, made therefrom, and distinguishing the officers to whom such permission has been granted since the conclusion of last return.

III.—Employment of naval or military officers by colonial Governments (exclusive of the Government of India.)

10. If an officer on the Active List now holds, or shall hereafter accept, any employment of profit under any Colonial Government, not remunerated out of Imperial funds, he shall draw no pay, effective or non effective, from Imperial funds so long as he holds that employment; but if his employment appears to the Admiralty or War Department to be of a nature to afford practical experience likely to be afterwards of public advantage in the event of his return to Imperial service, his service under the Colonial Government may, if the Admiralty or War Department think fit, count towards promotion and retirement, as though it were service in the Imperial Forces, and in that case the retired pay earned by his Colonial service whilst he remains on the said Active List will in due course be chargeable on Imperial funds.

11. An officer on the Active List shall accept and hold any employment of profit under a Colonial Government on condition only that the employment does not, in the absence of exceptional circumstances, last for a period exceeding five years, and is not renewed.

12. If an officer retire from the Imperial Forces whilst he holds an employment of profit under a Colonial Government, he may at once draw so much of his retired pay as was earned by Imperial service before his entering the Colonial service; and upon his retirement from the Colonial service he may also draw the retired pay earned by so much of his Colonial service as preceded his retirement from the Imperial Forces[*]

13. If an officer on the Retired List now holds, or shall hereafter accept, an employment of profit under a Colonial Government, his retired pay, even though earned by mixed Imperial and Colonial service, shall not be suspended in whole or in part, by reason of such employment, unless the Admiralty or War Department think fit otherwise to order; and any such order may be carried into effect

14. Service under a Colonial Government subsequent to an officer's retirement from the Imperial Forces, shall not increase the charge for his non-effective pay upon Imperial funds.

IV.—Saving Clauses.

15. If any officer who is on the half-pay or retired list, or who has commuted his non-effective pay, or retired from the Imperial forces with a gratuity, accepts or holds any civil employment of profit under any public department, or any employment under the Government of any British Possession, and is not subject to Rule 4, or is not subject to Rules 13 to 14, both inclusive, he shall accept and hold such employment on condition that he does not receive any part of any sum granted for non-effective pay for any time during which he holds such employment, except as hereafter mentioned, that is to say:

(*a.*) If the appointment is in Her Majesty's Household, he may receive the full amount of his non-effective pay:

(*b.*) If the annual emoluments of the employment do not exceed three times the amount of the highest rate of non-effective pay attached to the rank, by virtue of which he claims to receive non-effective pay, such person may, with Her Majesty's pleasure to that effect, signified by the Treasury through one of Her Majesty's Principal Secretaries of State, receive the non-effective pay to which he would be entitled if he held no such employment of profit:

(*c.*) Where the annual emoluments of the employment exceed three times the amount of such highest rate of non-effective pay as aforesaid, but fall short of four times such amount, the holder of such employment may, with Her Majesty's pleasure, signified in the manner aforesaid, receive so much non-effective pay as, added to the emoluments of his employment, will together make up four times the amount of such non-effective pay.

16. In the case of any officer who has accepted any employment before the passing of the Superannuation Act, 1887, the foregoing rules shall not, without his consent, apply to him so far as respects that employment, and if he does not so consent, the law and regulations applying to such officer immediately before such passing shall continue to apply to him so far as respects that employment.

Treasury, September, 1887. 35-3

ORDERS IN COUNCIL.

GOVERNMENT HOUSE, OTTAWA.

Thursday, 12th day of January, 1888.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

On the recommendation of the Superintendent General of Indian Affairs and under the provisions of the 54th section of chapter 43 of the Revised Statutes of Canada, intituled "An Act respecting Indians,"—

His Excellency in Council has been pleased to order, and it is hereby ordered, that the accompanying Regulations to govern the sale of timber on Indian Lands in the Provinces of Ontario and Quebec, be, and the same are hereby adopted and established.

1st. The Superintendent General of Indian Affairs may, at his discretion, cause the limit lines of any timber berths under license, which have not been already surveyed, *or when the lines of survey have been obliterated by fire or from other cause,* to be properly surveyed and run, the costs of such survey to be paid by the holder of the license; and where two or more licensees are interested in the survey, the Superintendent General of Indian Affairs shall determine what portion of the costs of the survey shall be paid by each, and such costs of survey shall be a charge upon the timber berth, to be paid with the ground rent before renewal of the license.

---

[*] This Rule corresponds with a concession made by the Treasury in a letter to the War Department, dated 19th November, 1885, and acted upon in certain cases from not earlier than that date (*vide* pages 34-5 of Sessional Paper (85) of 1887)

2nd The Superintendent General of Indian Affairs before granting any licenses for new timber berths in unsurveyed Indian Reserves or lands, shall cause such berths to be surveyed, and the Superintendent General of Indian Affairs may cause any Reserve or other Indian lands to be subdivided into as many timber berths as he may think proper.

3rd. The berths or limits when surveyed and set off, and all new berths or limits in surveyed territory, shall be explored and valued, and then offered for sale by public auction at the upset price fixed by such valuation, at such time and place, and on such conditions, and by such officer, as the Superintendent General of Indian Affairs shall direct, by public notice for that purpose, and shall be sold to the highest bidder for cash at the time of sale.

4th. All forfeited timber berths may be offered for sale by public auction, *and such sale shall be* at such upset price, and at such *time* and place as the Superintendent General of Indian Affairs may fix and appoint by public notice, and shall be awarded to the highest bidder making payment at the time of sale; but should the said timber berth not be then sold, the same may be granted to any applicant willing to pay the said upset price and ground rent, or, on such other terms as the Superintendent General of Indian Affairs may direct.

5th. License-holders who shall have complied with all existing regulations, shall be entitled to have their licenses renewed on application to the Superintendent General of Indian Affairs.

6th. The Superintendent General of Indian Affairs shall keep a register of all licenses granted or renewed, and of all transfers of such licenses, and a copy of such register, with a plan of the licensed limits, shall be kept by the Indian Agent, or Indian Land Agent of the locality, and *shall be* open to public inspection.

7th. All transfers of timber berths shall be made in writing, but shall be subject to the approval of the Superintendent General of Indian Affairs, to whom they shall be transmitted for approval or rejection, and they shall be valid only from the time of such approval to be expressed in writing. *In all cases of transfer of limits or timber berths, they will be subject to the payment of two dollars per square mile for each limit or berth, and in proportion if only a part is transferred, or if the license holder takes in one or more partners with him.*

8th. Timber berths are to be described in new licenses as "not to interfere with prior licenses existing or to be renewed in virtue of regulations." When the description of any berth or boundary, as given by any license, clashes with the description of any other licensed berth or territory, the license of more recent origin (tracing back only to the time when such license or any previous license, of which it is a renewal, was first granted), shall give way, and the Superintendent General of Indian Affairs may amend or cancel such license wholly or in part, and substitute another in place thereof, so as to correct the description of the berth or limit intended to be licensed; and in all cases where any license has issued in error or mistake, or is found to be inconsistent with any other license, or inconsistent or incompatible with the regulations under which it was granted, the Superintendent General of Indian Affairs may cause it to be cancelled, or amended, or he may refer all matters in dispute with reference to the boundaries and position of timber limits to arbitration, each of the contending parties to choose one arbitrator, and the Superintendent General of Indian Affairs shall appoint an umpire, naming a day on or before which the award of such arbitrators or of such umpire shall be made and delivered to the parties, and such award shall be binding on them.

9th. Timber cut on limits for which license has been suspended or held in abeyance, shall be considered as having been cut without authority and treated accordingly.

10th. Purchasers of Indian lands, who have not completed all the conditions of sale shall not, unless under Settler's License, or for clearing, fencing or building purposes on the said land, be permitted to cut timber or logs thereon, or to dispose of it to others. Persons found doing so shall be subject to the penalties established by law, for cutting timber on Indian lands without authority. *On all lands sold on or after the issue of a license, the licensee* may, *in virtue of said license, not cut any description of timber excepting merchantable pine and spruce, which he may continue to cut until the purchaser of the land shall have fulfilled all conditions of sale entitling him to a patent for the said land, when the right of the licensee to cut pine or spruce thereon shall cease; but it will rest with the purchaser to notify the licensee, and, if required to do so, to furnish sufficient proof to him that he has fulfilled such conditions of sale.*

11th. All timber licenses are to expire on the 30th of April next after the date thereof, and all renewals are to be applied for before the 1st of July following the expiration of the last preceding license; in default whereof the berth or berths shall be treate as *de facto* forfeited

12th. No renewal of any license shall be granted unless *the limit covered thereby has been properly worked during the preceding season, or sufficient reason be given under oath, and the same be satisfactory to the Superintendent General of Indian Affairs, for the non-working of the limit, and unless* or until the ground rent and all costs of survey, and all dues to the Crown on timber, saw-logs or other lumber cut under and by virtue of any license, other than the last preceding, shall have been first paid.

13th. All timber berths or limits shall be subject to an annual ground rent of $3 per square mile, payable in advance, before the issuing of any original license or renewal. *And, in computing the ground rent, no license shall be charged at less than eight miles of area.*

14th. All timber, saw logs, wood or other lumber, cut under any license now in force, or under any license which may be hereafter granted, shall be subject to the following Crown dues, that is to say:

15th. The duties on timber shall be charged upon the quantities shewn by the specification of measurement *furnished under oath by the licensee or his foreman to the Indian Agent for the locality, or to the Superintendent General of Indian Affairs*, or by other reliable measurement; but where such actual measurement cannot be obtained, each stick of white pine timber shall be estimated as containing 70 cubic feet, red pine as containing 38 cubic feet, oak 50 feet, and elm 45 feet, and all other wood as containing 34 cubic feet.

16th. All licensees or occupants of timber berths shall furnish through themselves, their agents, cullers and foremen, to such agent or agents as the Superintendent General of Indian Affairs may appoint for that purpose, and at such time and place as such agent or agents may require, satisfactory proof upon oath as to the exact locality where all the timber saw logs and other lumber in his or their possession were cut, giving the number of pieces and description of timber, saw-logs and other lumber including culls, cut by themselves and others to their knowledge upon each of the timber berths held or occupied by him or them respectively, designating what quantity, if any, had been cut on settlers' lands, giving the names of such settlers, the name of the township, and the number of each lot and concession, exhibiting at the same time for the inspection of such agent or agents, the books of count and measurement of such timber, saw-logs and other lumber under his or their control respectively; and shall moreover furnish such agent or agents all required information and facilities to enable him or them to arrive at a satisfactory determination as to the quantity and description of timber, saw-logs and other lumber made by him or them, or held in his or their possession respectively, on which Government dues are chargeable; and in the event of such agent or agents deeming it expedient to cause such timber, saw-logs and other lumber to be counted or measured, the said licensee or occupier of such timber berth, and his or their agents, cullers and foremen, shall aid and assist in such count or measurement, but should such licensee or occupier, or his or their agents, fail to comply with these conditions, such licensee shall forfeit all right to a renewal of his license, and the berth and limit shall become vacant. And to enable persons who sell their timber under settler's license to obtain their refund of dues, and timber cut on patented lands to pass duty free, it will be necessary for the parties interested to prove, on oath taken before such agent or agents, and to his or their satisfaction, the number of pieces and description of timber and saw-logs cut on each lot respectively. And in the event of such proof being deemed unsatisfactory, the said agent or agents may determine the same by causing a strict count of the stumps to be made, and then certifying according to such count.

17th. The Superintendent General of Indian Affairs, or any authorized agent, shall at all times have free access to and be permitted to examine the books and memoranda kept by any licensee, shewing the quantity of lumber in board measure sawn by him from logs cut on his timber berth or berths, and failing to produce such books and memoranda when required so to do, will subject such licensee to a forfeiture of his right to a renewal of his license.

18th. When any license-holder is in default for, or has evaded the payment of dues to the Crown on any part of his timber or saw-logs, such dues may be levied on any other timber or saw-logs belonging to such defaulter, cut under license, together with the dues thereon.

19th. Before moving any raft or parcel of timber, lumber or saw-logs from the Indian Agency in which it has been cut, the owner or person in charge thereof, shall report the same to the Indian Agent for the locality, making, if required, declaration upon oath, as to where the said timber was cut, the number of pieces and description of each kind of wood contained in such raft or parcel of timber, and the number of cribs, stating at the same time the number and description of pieces cut on private lands, also on lands under settler's license, giving the names of the owners or licensees of such land, with the name of the townships and number of each lot and concession; and should such Indian Agent not be satisfied with the correctness of such report, he shall cause a strict count to be made of the timber in such raft; and on being satisfied of the correctness of such report or count, the Indian Agent may grant a clearance in due form, for such raft, stating the number of pieces and description of timber contained therein, distinguishing the timber cut on private lands under settler's license, from that cut on Indian lands or Reserve.

20th. The owner or holder of any such raft or parcel of timber shall, within twenty-four hours after the same shall have arrived at its destination at Quebec, Sorel, Montreal, or other port of sale or shipment, report the arrival of such raft to the Collector of Crown Timber dues, or if at Sorel or Montreal, to the Deputy Supervisors of Cullers; and should the said raft be found by the specification of measurement to contain a greater number of pieces of timber than is noted in the clearance, the surplus number of pieces, if not satisfactorily explained, shall be held as having been cut on Indian lands without authority, and subject to payment of dues accordingly.

21st. Parties omitting to obtain their clearance at such agency, or omitting to report the arrival of such raft at its destination as above mentioned, may be refused further license, and may be subject to forfeiture of the timber for evasion of regulations, as provided in Cap. 43 of the Revised Statutes of Canada.

22nd. Persons evading or refusing the payment of timber dues, or the final settlement of bonds or promissory notes for payment of such dues, or in default with the Indian Department or agent; also, persons taking forcible possession of disputed ground before obtaining decision in their favor, and persons refusing to comply with the decision of arbitrators or of the umpire, as provided by the 8th section of these Regulations, or with the Regulations established by Order in Council, or who forcibly interrupt surveyors in the discharge of their duty, shall be refused further licenses, and their berths shall be forfeited at the expiration of the then existing license.

23rd. Dues of all kinds on timber cut under license, remaining unpaid on the 30th November following the season in which it was cut, shall be subject to interest from that date, but without prejudice to the power of the Crown to enforce payment of such outstanding dues at any time the Superintendent General of Indian Affairs may think proper.

24th. Purchasers of Indian lands who have not completed all conditions of sales, and have not obtained their patents for such lands, cutting timber without license (except for clearing, building, or fencing thereon), or others doing so by their permission, shall be subjected to the penalties established by law for cutting timber without authority.

25th. Before the issue of any timber license, the licensee or licensees thereof shall furnish security by a bond of himself or themselves, and two responsible sureties, for such amounts as the Superintendent General of Indian Affairs may consider sufficient to ensure the proper working of the limit, the due fulfilment by him or them of the conditions of the license, and the due observance of all the regulations of the Department in respect to the timber to be cut. The giving of such security shall not, however, in any way prejudice the right of the Superintendent General of Indian Affairs, or his agent, to levy upon any timber cut or owned by the holder or holders of the license, or to cancel the said license should there appear to him to be sufficient cause for so doing.

26th. Licenses are to be granted on the following form, in triplicate, and the description of each berth is to be written on the back thereof, and is to be dated and signed by the Deputy Superintendent General of Indian Affairs, as well as the license itself—the duplicate to be kept of record by the local Indian Agent.

27th. FORM OF LICENSE.

License to cut Timber on Indian Lands

(Royal Arms.)

By authority of the 43rd Chapter of the Revised Statutes of Canada and amendments thereto, and for and in consideration of the payments made, and to be made to the credit of Indian funds, I do hereby give unto and unto
agents and workmen, full power and license to cut
upon the location described upon the back hereof, and to hold and occupy the said location to the exclusion of all others, except as hereinafter mentioned:—from 18 to thirtieth day of April, 18 , and no longer; with the right of conveying away the said timber, through any ungranted or waste Indian lands.

And by virtue of this license the said licentiate has right by the said statute, to all timber cut by others in trespass on the ground hereby assigned, with full power to seize and recover the same anywhere within the Dominion of Canada.

But this license is subject to the following conditions, viz:—

That the dues to which the timber cut under its authority are liable, shall be paid as follows, namely:—

That all lots sold prior, and all lots sold subsequently, to the date hereof, and which have been settled upon and are being cleared for cultivation, shall be exempt from the operation of this license, excepting in so far as pine and spruce merchantable timber are concerned, which this license will continue to control until all conditions of sale have been fulfilled.

That any person or persons may under authority of the Superintendent General of Indian Affairs, at all times, make and use roads upon and travel over the ground hereby licensed.

That nothing herein shall prevent any person or persons having authority from the Superintendent General of Indian Affairs to do so, from taking standing timber of any kind to be used for the making of roads and bridges, or for Public Works.

And that persons settling under lawful authority or title within the location hereby licensed, shall not in any way be interrupted in clearing and cultivating by the said licentiate, or any one acting for
or by permission.

And further, upon condition that the said licentiate or
representatives shall comply with all regulations that are or may be established by Order in Council, and shall submit all the timber cut under this license to be counted or measured, and shall settle for the duties chargeable thereon when required by me or any officer thereunto authorized,—otherwise the said timber will be forfeited to the Crown, and the said licentiate be subject to such other penalty or penalties as provided by law.

Given under my hand at , this
day of
, in the year of Our Lord, one thousand eight hundred and

Deputy of the Superintendent
General of Indian Affairs.

The above named licentiate shall be bound before or when paying the ground rent and renewal fee—if the license is renewed—to declare on oath whether
still the bona fide proprietor of the limit hereby licensed, or whether
sold or transferred it, or any part of it, or for whom hold it.

☞ *We have read and comprehend the nature of the obligations contained in this license, and we bind ourselves jointly and severally, and each of our heirs, executors, curators, and administrators, to pay all duties that may become due and payable to Her Majesty, her Heirs or Successors, on any timber cut or acquired by virtue of this license, in the event of the above named licentiate failing or refusing to pay the same, or to give satisfactory bonds for payment thereof.*

Kinds and descriptions of timber to be cut, and the rate of dues to be paid under authority of this license:

* * * * *

The timber limits comprehended by the within license consist of the following limits:

* * * * *

28th. All persons cutting timber on Indian lands or Reserve, without authority of license, will be punished as the law provides.

Persons hindering any officer or agent of the Department of Indian Affairs in the discharge of his duty in seizing timber illegally cut, or taking away, or causing to be taken away, any timber seized under the Act, cap. 43, Revised Statutes, Canada, are guilty of felony.

Parties cutting timber on Indian lands purchased by them on pretence of settlement, but really for the purpose of cutting the timber, are trespassers as above.

Railway companies, contractors and others, cutting without the authority of the Superintendent General of Indian Affairs timber for railway purposes on Indian lands and on lands sold but not yet patented, are also trespassers and subject to the same penalties.

29th. From and after the date of the passing of the present regulations, in cases of timber which although cut in trespass was so cut through error in good faith on Indian lands, by licentiates or other parties, it shall be lawful for the Superintendent General of Indian Affairs to exact in settlement of such wood goods a penalty equivalent to double, treble or quadruple the ordinary dues as established by tariff above, according to circumstances, besides costs of seizure and other expenses connected with all investigations into such trespasses.

30th. It shall be no longer permitted to cut, on Indian lands, pine trees measuring less than nine inches in diameter at the stump.

31st. TRANSFERS.

All limit owners are to notify the Superintendent General of Indian Affairs of any transfer which they may have effected, as soon as any transaction of the kind may have taken place; and should they fail to give due notification to the Superintendent General of Indian Affairs, he may rule the forfeiture of such license or licenses comprising the limit or limits so transferred.

32nd. Limit holders, in order to enable them to obtain advances necessary for their operations, shall have a right to pledge their limits as security without a bonus becoming payable. Such pledge, in order to effect the limit against the debtor, shall require to be noted on the back of the license by an authorized officer of the Department of Indian Affairs. But if the party giving such pledge should fail to perform his obligations towards his creditors, the latter, on establishing the fact to the satisfaction of the Superintendent General of Indian Affairs, may obtain the next renewal in his or their own name, subject to payment of the bonus, the transfer being then deemed complete.

33rd. Transfers of timber berths are to be in writing, and if not found objectionable by the Department of Indian Affairs, are to be valid from the date on which they may be deposited in the hands of the latter; but no transfer is to be accepted while the party transferring is in default for non-payment of dues on timber to the Crown.

SURVEYS.

34th. The Department of Indian Affairs shall, at the joint written request of conterminous license holders, issue instructions stating how the boundaries of such limits should be run to be in conformity with existing licenses. The surveys shall be performed at the expense of the parties requiring them, who must cause copies of the plans and field notes of the surveys to be delivered to the said Department subject to approval, to be paid for and kept of record by the Department.

Boundaries so established at the joint request of the parties interested shall be fixed and permanent and shall in no case be altered.

35th. If a limit holder refuses to join his neighbor to have the boundaries defined, the party wishing to have the survey made, shall be entitled to have it performed at his own expense, under instructions which shall be furnished to him for that purpose, as provided in the foregoing clause.

On the completion of the survey, notice of the same shall be given in writing to the adverse party at his residence or place of business. And if within one year after such notification, the adverse party shall have made no opposition to the same in the manner hereinafter prescribed, or if, having done so, such opposition has not been maintained, the boundary so surveyed shall be fixed permanently and irrevocably. But if within the space of one year from the date of such notice, the adverse party shews that he has sufficient reasons to doubt the exactness of such survey, and deposits in the hands of the agent of the Department of Indian Affairs, such sum of money as that Department may deem sufficient to cover all the expenses of a new survey, the Superintendent General of Indian Affairs shall name a surveyor to establish finally the boundary in dispute, and this second survey shall be binding upon the interested parties. All the expenses shall be borne by the applicant if his objections be not maintained. If, on the contrary, they be confirmed and the first survey be declared erroneous, the expenses shall be borne share and share alike by both parties.

36th. All limit lines or boundaries already established in virtue of official instructions, are hereby declared valid and permanent, if a report or field notes, or at least a plan describing such boundaries, have been fyled of record in the Department of Indian Affairs, and if, within the space of one year from the date such documents or plan were filed, their correctness be not disputed. If, on the contrary, within this delay one of the interested parties objects to them, a final survey shall be made as prescribed in the thirty fifth clause of these presents, unless, however, the interested parties agree to have a final survey effected in virtue of the thirty-fourth clause.

34-4 Clerk Privy Council.

NOTE.—The Citizens' Insurance Company of Canada has discontinued its Guarantee business and has reinsured its outstanding policies in the Guarantee Company of North America. The deposit on account of this branch is $11,000 Municipal Debentures still in the hands of the Receiver General.

The affairs of the *Briton Medical and General Life Association, London, Eng.*, are in litigation, orders having been made by Ontario and Quebec Courts, having for their object the winding-up of the affairs of the Company in Canada and the distribution of the deposit held by the Receiver General, which amounts to $103,370. The orders above referred to were both appealed; but the appeals have been withdrawn, and proceedings are now in progress for the winding up of the Company's Canadian affairs.

The license of the *Hand in Hand Insurance Company* expired on the 31st March, 1887, and has not been renewed owing to the fact that under "The Insurance Act," the privilege of obtaining a Dominion license in the case of Companies having Provincial charters is restricted to Companies which transact the business of Life Insurance. The Hand in Hand continues to transact Plate Glass insurance in Ontario under Provincial license, but has ceased to transact business in the other Provinces of the Dominion. The deposit of $5,000 is still in the Receiver General's hands

The license to the *Life Association of Canada* expired on the 31st March, and has not been renewed. The statutory notices of application for withdrawal of its deposit have been given by the Company, and a portion thereof has been released; a balance sufficient in amount to cover the net surrender values of the policies in force has been retained by the Receiver General.

The Statutory notices of application for the withdrawal of the deposit of *The Briton Life Association* (*Limited*), have been given by the Company.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR la recommandation du Surintendant Général des affaires des Sauvages, et en vertu des dispositions de la 54ème section du chapitre 43 des Statuts revisés du Canada, intitulé "Acte concernant les Sauvages,"—

Il a plu à Son Excellence en conseil d'ordonner et il est par le présent ordonné, que les règlements suivants réglant la vente du bois sur les terres des Sauvages, dans les provinces d'Ontario et Québec, soient et ils sont par le présent adoptés et établis:—

1. Le Surintendant Général des Affaires des Sauvages aura le pouvoir discrétionnaire, de faire arpenter les lignes limitrophes de toute limite licenciée, non encore arpentée, ou dont les lignes d'arpentage auront été détruites par le feu ou par toute autre cause, les frais d'arpentage seront à la charge du porteur de la licence, et au cas où deux ou plusieurs possesseurs de licences sont intéressés, le Surintendant Général des Affaires des Sauvages devra déterminer la proportion des frais à être supportés par chacun d'eux, et ces frais constitueront une charge sur la limite à bois, et devront être payés en même temps que la rente foncière avant le renouvellement de la licence.

2. Avant d'accorder aucune licence pour de nouvelles limites à bois dans des terres ou réserves de Sauvages non encore arpentées, le Surintendant Général des Affaires des Sauvages, devra faire arpenter les dites limites, et il aura le pouvoir de faire subdiviser toute réserve ou autre terre de Sauvages en autant de limites à bois qu'il le jugera convenable.

3. Il sera fait une exploration et une évaluation des limites quand elles auront été arpentées, ainsi que des limites dans un territoire déjà arpenté, elles seront ensuite mises en vente par encan public au prix fixé par l'évaluation, aux temps et lieu, et sujettes aux conditions, et par l'officier, désignés par le Surintendant des Affaires des Sauvages, par avis public à cet effet, et seront vendues au plus haut enchérisseur pour de l'argent comptant au temps de la vente.

4. Toutes limites confisquées pourront être offertes en vente par encan public, et telle vente devra se faire au prix fixé par évaluation, et aux temps et lieu qu'il plaira au Surintendant Général de fixer par avis public, et seront adjugées au plus haut enchérisseur effectuant le paiement lors de la vente; mais au cas où la dite limite ne serait pas alors vendue, elle pourra être accordée à celui qui en fera la demande et qui consentira à payer le dit prix fixé par l'évaluation, ainsi que la rente foncière, ou à toutes autres conditions qu'il plaira au Surintendant Général des affaires des Sauvages d'imposer.

5. Les possesseurs de licences qui se seront conformés à tous les règlements en force, auront droit à faire renouveler leurs licences, sur demande par eux faite au Surintendant Général des affaires des Sauvages.

6. Il sera du devoir du Surintendant Général des Affaires des Sauvages de garder un registre de toutes licences accordées ou renouvelées, et de tous transferts des dites licences, et il sera du devoir de l'agent des Sauvages, ou de l'agent des terres des Sauvages de l'endroit de garder une copie de tel registre, avec un plan des limites licenciées, et telle copie devra être tenue à la disposition du public pour inspection.

7. Tous transferts de limites à bois devront être faits par écrit, mais sujets à l'approbation du Surintendant Général des Affaires des Sauvages, à qui ils devront être transmis pour être approuvés ou rejetés, et ils ne seront valides qu'à partir du moment de l'approbation qui devra être faite par écrit. Dans tous les cas de transferts de limites, ces transferts seront sujets au paiement de deux piastres par mille carré sur chaque limite, et en proportion, si une partie seulement de la dite limite est transférée, ou si le détenteur de licence s'adjoint un ou plusieurs associés.

8. Les limites à bois devront être désignées, dans les nouvelles licences, comme "ne devant pas affecter des licences antérieures ou devant être renouvelées en vertu des règlements."

Quand la description d'une limite ou ligne limitrophe, telle que donnée dans une licence, diffère de la description d'une autre limite ou d'un autre territoire, la license d'origine plus récente (remontant seulement au temps où telle licence, ou licence antérieure, dont elle est le renouvellement, a été accordée pour la première fois) sera mise de côté, et le Surintendant Général des Affaires des Sauvages aura le pouvoir d'amender ou d'annuler la dite licence en tout ou en partie, et en substituer une autre, de manière à corriger la description de la limite qu'on avait l'intention de licencier, et dans tous les cas où une licence a été émanée par erreur, ou est incompatible avec une autre licence, ou incompatible avec les règlements en vertu desquels elle a été accordée, le Surintendant Général des Affaires des Sauvages aura le pouvoir de la faire annuler, ou amender, ou il pourra référer toutes questions disputées, concernant les lignes limitrophes et la position des limites à bois, à l'arbitrage, chacune des parties en litige devant choisir un arbitre, et le Surintendant Général des Affaires des Sauvages en choisir un troisième, fixant un jour, le ou avant lequel la décision des arbitres sera rendue aux parties, et telle décision sera considérée comme finale.

9. Le bois coupé sur les limites dont la licence a été suspendue, ou n'a pas été encore émanée, sera considéré comme ayant été coupé sans autorité et sera traité en conséquence.

10. Il est défendu aux acquéreurs de terres des Sauvages, qui ne se sont pas conformés à toutes les conditions de la vente, d'y couper du bois ou des billots, ou d'en disposer en faveur d'autres personnes, à moins que ce ne soit en vertu d'une licence de colon, ou pour des fins de défrichement, de clôturage ou de construction. Les personnes prises sur le fait seront passibles des pénalités imposées par la loi, pour avoir coupé du bois sur les terres des Sauvages sans autorité. Sur toutes terres vendues à ou après l'émanation d'une licence, le licencié a le privilège, en vertu de la dite licence, de ne couper aucune espèce de bois excepté l'épinette et le pin marchands, qu'il peut continuer à couper jusqu'à ce que l'acquéreur de la terre ait rempli toutes les conditions de vente lui donnant droit à des lettres patentes, et à ce moment le droit du licencié de couper de l'épinette et du pin prendra fin, mais l'avis au licencié sera à la charge de l'acquéreur, et s'il en est requis, il devra fournir des preuves suffisantes pour établir qu'il a rempli les dites conditions de la vente.

11. Toutes licences de bois expireront le 30 avril, suivant la date du présent, et toutes applications de renouvellement devront être faites avant le 1er de juillet suivant l'expiration de la dernière licence, à défaut de quoi les locations seront, *de facto*, considérées confisquées.

12. Il ne sera pas accordé de renouvellement de licence, à moins que les travaux convenables n'aient été faits sur la milite pendant la saison précédente, ou que des raisons suffisantes ne soient données, à la satisfaction du Surintendant Général des affaires des Sauvages, pourquoi les travaux n'ont pas été faits sur la limite, et à moins que la rente foncière et tous frais d'arpentage, et toutes sommes dues sur le bois, les billots ou autre bois coupé en vertu d'une licence autre que la précédente, n'aient été payés.

13. Toutes locations ou limites à bois seront sujettes à une rente foncière annuelle de $3 par mille carré, payable d'avance, avant l'émanation d'une licence ou d'un renouvellement. Et en calculant la rente foncière, aucune licence ne sera sujette à une rente moindre que celle de huit milles carrés.

14. Tout bois carré, billots ou autres bois, coupé en vertu d'une licence actuellement en force, ou en vertu d'une licence qui pourra être accordée ci-après, seront sujets au tarif suivant :—

Les droits sur l'érable et sur l'orme de marais, coupés en vertu d'une licence sur la Péninsule de Saugeen, ont été réduits à $1.00 par M pieds, mesure de planche, et $15.00 par M pieds cubes.

15. Les droits sur le bois seront chargés sur les quantités établies par la spécification de mesurage fournie par le licencié ou son surintendent à l'agent des Sauvages de la localité, ou au Surintendant Général des affaires des Sauvages, ou par tout autre mesurage reconnu,—mais dans les cas où il sera impossible d'obtenir le mesurage ci-haut, chaque morceau de pin blanc sera considéré comme contenant 70 pieds cubes, le pin rouge 38 pieds cubes, le chêne 50 pieds, et l'orme 45 pieds, et tout autre bois 34 pieds cubes.

16. Tous licenciés ou occupants de limites à bois devront fournir, par eux-mêmes, leurs agents, mesureurs ou surintendants, à l'agent ou aux agents nommés à cet effet par le Surintendant Général des affaires des Sauvages, et aux temps et lieux exigés par tel agent ou tels agents,—preuve satisfaisante concernant l'endroit où le bois et les billots en leur possession ont été coupés, donnant un état des quantités et qualités du bois et des billots, y compris les billots de rebut (culls) coupés par eux-mêmes ou par d'autres, à leur connaissance, sur chaque limite à bois occupée par lui ou eux respectivement, indiquant, s'il y a lieu, la quantité coupée sur les terres de colons, donnant les noms des dits colons, le nom du township, et le numéro de chaque lot et concession, produisant en même temps, pour être examinés par l'agent ou les agents, les livres de compte et de mesurage du bois et des billots sous son ou leur contrôle ; ils devront en outre fournir aux agents toutes autres informations et facilités requises pour leur permettre d'arriver à une décision satisfaisante relativement à la quantité et à la qualité du bois et des billots faits par lui ou eux, ou en sa ou leur possession respectivement, sur lesquels des droits du gouvernement sont payables ; et dans le cas où l'agent ou les agents jugeront nécessaire de faire compter et mesurer le bois et les billots, le licencié ou l'occupant de la dite limite à bois, ou leurs agents mesureurs et surintendants, devront aider à compter et à mesurer tel que mentionné ci-dessus ; mais au cas où le licen-

cié ou occupant, ou leurs agents, ne rempliront pas ces conditions, le licencié perdra le droit au renouvellement de sa licence, et la limite deviendra vacante. Et pour permettre aux personnes qui vendent leur bois en vertu d'une licence de colon d'obtenir le remboursement des droits, et permettre au bois coupé sur des terres concédées par lettres patentes de passer en franchise, les parties intéressées devront prouver, sous serment prêté devant le ou les dits agents, et à leur satisfaction, la quantité et la qualité du bois et des billots coupés sur chaque lot respectivement. Et au cas où la preuve paraîtra insuffisante, le ou les dits agents pourra la compléter en faisant faire un examen sévère des souches et donner un certificat en conséquence.

17. Le Surintendant Général des Affaires des Sauvages, ou tout agent autorisé, aura en tout temps accès aux livres et memoranda tenus par un licencié établissant la quantité de bois, en mesure de planche, scié par lui, des billots coupés sur sa limite à bois, et aura le pouvoir de les examiner, et à défaut de produire les dits livres et memoranda quand il en sera requis, il s'exposera à perdre le droit de renouvellement de sa licence.

18. Dans le cas où un licencié n'aurait pas payé ou aurait éludé le paiement des droits de coupe dus à la Couronne sur quelque partie de son bois ou de ses billots, ces droits peuvent être prélevés sur aucun autre bois à lui appartenant, coupé en vertu de licence, en sus des droits dus sur ce bois.

19. Avant d'enlever aucun radeau ou partie de radeau de bois carré, ou billots, de l'agence dans laquelle ce bois aura été coupé, le propriétaire ou la personne en charge du dit radeau devra en faire rapport à l'agent des Sauvages pour la localité, faisant, s'il est nécessaire, une déclaration sous serment, de l'endroit où le dit bois a été coupé, du nombre de morceaux de chaque espèce de bois contenu dans chaque radeau ou partie de radeau, du nombre de petits radeaux (cribs), mentionnant en même temps la quantité et la qualité des pièces coupées sur les terres des particuliers, ou sur des terres en vertu d'une licence de colon, donnant les noms des propriétaires ou des licenciés des dites terres, avec les noms des townships et le numéro de chaque lot et concession, et au cas où le dit agent des Sauvages ne serait pas satisfait de la justesse du rapport, il fera compter avec soin le bois contenu dans le dit radeau, et aussitôt satisfait de la justesse du rapport ou du compte, l'agent des Sauvages pourra accorder un certificat d'acquit, en due forme, pour le dit radeau établissant le nombre de morceaux et la description du bois qui y est contenu, établissant la différence entre le bois coupé sur des terres privées et en vertu de licences de colons, de celui coupé sur des terres ou réserves de Sauvages.

20. A l'arrivée de chacun de ces radeaux ou parties de radeaux à destination, à Québec, Sorel, Montréal ou autre port intermédiaire de vente ou de débarquement, le propriétaire ou celui qui en a la charge en fera, dans l'intervalle de vingt-quatre heures, le rapport au percepteur des droits sur les bois de la Couronne, ou si c'est à Sorel ou Montréal, au député surintendant des mesureurs de bois, et au cas où la spécification de mesurage se trouverait contenir un plus grand nombre de pièces de bois que celui mentionné dans l'acquit, le surplus sera considéré comme ayant été coupé sur les terres des Sauvages sans autorité, et sera en conséquence sujet au paiement des droits.

21. On pourra refuser d'émaner des licences aux personnes qui négligeront d'obtenir leur acquit à l'agence ou de faire rapport de l'arrivée du radeau à sa destination tel que mentionné plus haut, et ces personnes seront sujettes à la confiscation de leur bois pour infractions aux règlements, tel que pourvu au chap. 43 des Statuts Revisés du Canada.

22. Les personnes qui refuseront ou éviteront le paiement des droits sur leur bois, ou le règlement final des obligations ou billets promissoires pour le paiement d'iceux, ou qui seront en défaut avec le département ou l'agent des Sauvages, et les personnes qui prendront forcément possession de terrain en litige avant d'avoir obtenu une décision en leur faveur et ceux qui refuseront de se conformer aux décisions des arbitres ou aux règlements établis par ordre en conseil, ou qui troubleront forcément les arpenteurs, perdront leurs droits à d'autres licences et leurs locations seront confisquées à l'expiration de leurs licences.

23. Tous droits sur les bois coupés sous licence, qui n'auront pas été payés au 30 novembre suivant la saison pendant laquelle ils auront été coupés, seront sujets à l'intérêt à partir de cette date, sans préjudice aux pouvoirs qu'a la Couronne d'exiger le paiement de ces droits arriérés en aucun temps jugé convenable par le Surintendant Général des affaires des Sauvages.

24. Les acheteurs de terres des Sauvages qui n'ont pas complété les conditions de leurs ventes, et qui n'ont pas obtenu de lettres patentes pour les dites terres, qui y couperont du bois sans licence (si ce n'est pour faire de la terre, pour bâtir ou construire des clôtures) ou autres qui le feront par leur permission, seront passibles des pénalités imposées par la loi dans le cas de bois coupé sans licence.

25. Avant l'émanation d'une licence, le licencié ou les licenciés devront lui-même ou eux-mêmes fournir un cautionnement, accompagné de deux cautions responsables, pour le montant considéré nécessaire par le Surintendant Général des affaires des Sauvages pour assurer les travaux nécessaires sur la limite, l'accomplissement des conditions de la licence et l'observation des règlements du département relativement au bois à être coupé. Le fait de fournir le dit cautionnement, n'enlèvera pas au Surintendant Général des affaires des Sauvages ou à son agent, le droit de prélèvement sur tout bois coupé par ou appartenant au détenteur ou aux détenteurs de la licence, ni le droit d'annuler la dite licence, au cas où il y aurait cause suffisante pour ce faire.

26. Les licences seront données dans la formule suivante, en triple, et la description de la licence devra être écrite au dos de la licence, et devra être datée et signée par le Surintendant Général des affaires des Sauvages, aussi bien que la licence même ; les doubles devront être gardés de record par l'agent des Sauvages de la localité.

Les limites à bois comprises dans la présente licence sont les suivantes :

* * * * *

28. Toutes personnes coupant du bois sur les terres publiques sans autorité de licence seront punies tel que pourvu par la loi :—

Toute personne résistant ou suscitant des entraves à aucun officier ou agent du département des affaires des Sauvages, dans l'exécution de son devoir en saisissant du bois coupé illégalement, ou enlevant ou faisant enlever du bois saisi en vertu de l'acte chap 43 des Statuts Revisés du Canada se rend coupable de félonie.

Les personnes qui coupent du bois sur des terres qu'elles ont achetées sous prétexte de les établir, mais en réalité dans le but d'en enlever le bois, se rendent coupables du même délit.

Les contracteurs de chemins à lisses et autres qui coupent ou font couper sur les terres publiques et sur les terres vendues, mais non patentées, du bois pour servir à la construction de chemins à lisses, se rendront coupables des mêmes délits que ci-haut et sont passibles des mêmes peines.

29. A dater de la passation des présents règlements, dans le cas où des bois quoique coupés en contravention à la loi, l'ont été de bonne foi par erreur sur les terres publiques par les détenteurs de licences ou toutes autres personnes, il sera permis au Surintendant Général des affaires des Sauvages d'exiger, en règlement des bois ainsi coupés, une pénalité équivalente à une somme, double, triple ou quadruple des droits ordinaires tels qu'établis par le tarif ci-haut suivant les circonstances, en outre les frais de saisie, et toutes autres dépenses encourues pour s'enquérir des faits relatifs aux bois ainsi coupés en contravention à la loi.

30. Il ne sera plus permis à l'avenir de couper sur les terres des Sauvages des arbres de pin mesurant moins de 9 pouces de diamètre sur la souche.

TRANSFERTS.

31. Tous les propriétaires de limites devront notifier le Surintendant Général des affaires des Sauvages des transferts qu'ils auront pu effectuer, aussitôt qu'une transaction de cette nature aura eu lieu, et s'ils manquaient d'en donner avis en temps voulu au Surintendant Général des affaires des Sauvages, il pourra alors ordonner la confiscation de telle licence ou licences comprenant la limite ou limites ainsi transférées.

32. Les possesseurs de limites, pour l'avantage de pouvoir obtenir les capitaux nécessaires à leurs opérations sur icelles auront le privilège d'affecter les dites limites en garantie sans répétition de bonus. Pour avoir sa valeur sur la limite contre le débiteur, cette garantie devra être notée sur le dos de la licence par un officier du Département des Affaires des Sauvages autorisé à cet effet. Mais, si la partie qui aura donné telle garantie ne remplit pas ses obligations envers le créancier, celui-ci, en établissant le fait à la satisfaction du Surintendant Général des affaires des Sauvages, pourra obtenir le renouvellement suivant de la licence en son propre nom, sujet au paiement du bonus, le transfert étant alors considéré parfait.

33. Les transferts de locations devront être faits par écrit ; et, si le Département des affaires des Sauvages ou l'agent local les approuve, ils seront valides à dater du jour où ils auront été déposés entre les mains de ce dernier ; mais aucun transfert ne sera accepté, si la personne faisant ce transfert, est arriérée dans ses paiements à la Couronne pour droits sur les bois.

ARPENTAGES.

34. Le département des affaires des Sauvages donnera, lorsqu'il en sera requis par des possesseurs de limites voisines conjointement, des instructions sur la manière d'arpenter et d'établir les limites de ces terrains pour être conformes aux licences actuelles. Les arpentages seront faits aux frais des requérants qui devront remettre au dit département, copies des plans, rapports et autres détails de ces arpentages pour être par lui examinés et approuvés. Ces copies seront payées et elles seront gardées de record par le département.

Les bornes ainsi établies, à la requisition des parties intéressées conjointement, seront fixes et permanentes et ne pourront être changées.

35. Dans le cas où un possesseur de limites refuserait de se joindre à son voisin pour faire arpenter une ligne limitrophe, celui qui désire l'arpentage aura le droit de le faire à ses propres frais en vertu d'instructions qui lui seront fournies à cet effet, tel que pourvu dans la clause qui précède.

Lorsque l'arpentage sera terminé, avis en sera donné par écrit à la partie adverse, à sa résidence ou à son bureau d'affaires. Et si, à l'expiration d'une année à partir de la date de la signification de tel avis, la partie adverse n'y a fait aucune opposition en la manière ci-après prescrite, ou si l'ayant faite, elle n'a pas été maintenue, la ligne ainsi arpentée sera permanemment et irrévocablement fixée. Mais si, dans l'espace d'une année, à compter de la date de cet avis, ce dernier montre qu'il a des raisons suffisantes de douter de l'exactitude de cet arpentage, et dépose entre les mains de l'agent du département des affaires des Sauvages telle somme d'argent que celui-ci spécifiera comme étant suffisante pour couvrir toutes les dépenses d'un nouvel arpentage, le Surintendant Général des affaires des Sauvages nommera un arpenteur pour établir finalement la ligne limitrophe en dispute, et ce second arpentage sera obligatoire envers les parties intéressées. Toutes les dépenses en seront supportées par le réclamant, si ces objections ne sont pas soutenues. Si, au contraire, elles sont confirmées, et le premier arpentage est déclaré erroné, les dépenses seront supportées à parts égales par les deux parties.

36. Toutes les lignes ou bornes de limites déjà établies en vertu d'instructions officielles sont par le présent déclarées valides et permanentes, si un rapport ou des notes d'arpentage ou au moins un plan les désignant, ont été filés de record dans le département des affaires des Sauvages, et si dans l'espace d'une année à compter de la date à laquelle ces documents ou plans ont été filés, il ne soit fait aucune réclamation contre leur exactitude. Si au contraire dans le cours de ce délai, une des parties intéressées réclame, il sera fait un arpentage final tel que prescrit dans la 35ème clause des présentes, à moins toutefois que les parties intéressées ne s'arrangent entre elles pour faire faire un arpentage final en vertu de la clause 34ème.

Greffier du Conseil Privé.

NOTE.—La compagnie d'assurance des Citoyens du Canada a cessé de faire des opérations de garantie et a réassuré ses polices existantes dans la compagnie de garantie de l'Amérique du Nord. Le dépôt pour cette branche d'affaires est de $11,000 en bons de municipalités, somme qui est encore entre les mains du receveur général.

Les affaires de l'Association générale sur la vie *Briton Médical* de Londres, Ang., sont en liquidation, des ordres ayant été rendus par les cours d'Ontario et Québec, dans le but de régler les affaires de la compagnie en Canada, et la distribution du dépôt retenu par le receveur général, dépôt qui se monte à $103,370. Il y eu appel des deux ordres susdits, mais les appels ont été retirés, et des procédures se font maintenant pour régler les affaires canadiennes de la compagnie

Le permis de la Compagnie d'assurance *Hand in Hand* est expiré le 31 mars 1887, et n'a pas été renouvelé parce que sous "l'Acte des assurances" le privilège d'obtenir un permis fédéral dans le cas de compagnies ayant des chartes provinciales est restreint aux compagnies qui font des opérations d'assurance sur la vie. La *Hand in Hand* continue les assurances sur glaces dans l'Ontario en vertu d'un permis provincial, mais a cessé de faire des opérations dans les autres provinces du Canada. Le dépôt de $5,000 reste entre les mains du receveur général.

Le permis de l'Association sur le vie du Canada est expiré le 31 mars, et n'a pas été renouvelé. Les avis exigés par la loi lorsqu'une compagnie veut retirer ses dépôts ont été donnés par la compagnie, et une partie en a été remboursée ; le receveur général a retenu un montant suffisant pour couvrir la valeur nette de rachat des polices en vigueur.

Les avis exigés par la loi pour le retrait du dépôt de la *Briton Life Association* (*imLited*), ont été donnés par la compagnie.

NOTE.—The Citizens' Insurance Company of Canada has discontinued its Guarantee business and has reinsured its outstanding policies in the Guarantee Company of North America. The deposit on account of this branch is $11,000 Municipal Debentures still in the hands of the Receiver General.

The affairs of the *Briton Medical and General Life Association, London, Eng.*, are in litigation, orders having been made by Ontario and Quebec Courts, having for their object the winding-up of the affairs of the Company in Canada and the distribution of the deposit held by the Receiver General, which amounts to $103,370. The orders above referred to were both appealed; but the appeals have been withdrawn, and proceedings are now in progress for the winding up of the Company's Canadian affairs.

The license of the *Hand in Hand Insurance Company* expired on the 31st March, 1887, and has not been renewed owing to the fact that under "The Insurance Act," the privilege of obtaining a Dominion license in the case of Companies having Provincial charters is restricted to Companies which transact the business of Life Insurance. The Hand in Hand continues to transact Plate Glass insurance in Ontario under Provincial license, but has ceased to transact business in the other Provinces of the Dominion. The deposit of $5,000 is still in the Receiver General's hands.

The license to the *Life Association of Canada* expired on the 31st March, and has not been renewed. The statutory notices of application for withdrawal of its deposit have been given by the Company, and a portion thereof has been released; a balance sufficient in amount to cover the net surrender values of the policies in force has been retained by the Receiver General.

The Statutory notices of application for the withdrawal of the deposit of *The Briton Life Association (Limited)*, have been given by the Company.

NOTE.—La compagnie d'assurance des Citoyens du Canada a cessé de faire des opérations de garantie et a réassuré ses polices existantes dans la compagnie de garantie de l'Amérique du Nord. Le dépôt pour cette branche d'affaires est de $11,000 en bons de municipalités, somme qui est encore entre les mains du receveur général.

Les affaires de l'Association générale sur la vie *Briton Médical* de Londres, Ang., sont en liquidation, des ordres ayant été rendus par les cours d'Ontario et Québec, dans le but de régler les affaires de la compagnie en Canada, et la distribution du dépôt retenu par le receveur général, dépôt qui se monte à $103,370. Il y eu appel des deux ordres susdits, mais les appels ont été retirés, et des procédures se font maintenant pour régler les affaires canadiennes de la compagnie.

Le permis de la Compagnie d'assurance *Hand in Hand* est expiré le 31 mars 1887, et n'a pas été renouvelé parce que sous "l'Acte des assurances" le privilège d'obtenir un permis fédéral dans le cas de compagnies ayant des chartes provinciales est restreint aux compagnies qui font des opérations d'assurance sur la vie. La *Hand in Hand* continue les assurances sur glaces dans l'Ontario en vertu d'un permis provincial, mais a cessé de faire des opérations dans les autres provinces du Canada. Le dépôt de $5,000 reste entre les mains du receveur général.

Le permis de l'Association sur le vie du Canada est expiré le 31 mars, et n'a pas été renouvelé. Les avis exigés par la loi lorsqu'une compagnie veut retirer ses dépôts ont été donnés par la compagnie, et une partie en a été remboursée ; le receveur général a retenu un montant suffisant pour couvrir la valeur nette de rachat des polices en vigueur.

Les avis exigés par la loi pour le retrait du dépôt de la *Briton Life Association* (*limited*), ont été donnés par la compagnie.

MILITIA GENERAL ORDERS.

HEAD QUARTERS,

Ottawa, 23rd March, 1888.

General Orders (5).

No. 1.

Original Colors of the 100th Foot,

Now *the 1st Battalion of the Prince of Wales's Leinster Regiment (Royal Canadians.)*

The Original Colors of the 1st Battalion of "The Prince of Wales's Leinster Regiment (Royal Canadians)" having being received from the Officer commanding that Battalion, through the High Commissioner and the Secretary of State for Canada, His Excellency the Governor General in Council has selected the Library of Parliament of the Dominion of Canada, at Ottawa, as the final resting place of these Colors which form so interesting a link in the historical connection between Her Majesty's Army and this portion of the Empire; and it is directed that a copy of the letter from Lieutenant Colonel Collum, accompanying the transmission of the Colors, be published, as follows, for genera linformation, more especially of the Militia of Force of the Dominion:—

"Copy.

From Lieutenant Colonel L. J. Collum, 1st Battalion Leinster Regiment, to The High Commissioner for Canada, 9 Victoria Chambers, London, S. W.

Bellevue, Enniskillen, Ireland,
3rd September, 1887.

Sir,—On behalf of Lieut. Colonel D. W. Mackinnon, Commanding, and the officers, non-commissioned officers and men of the 1st Battalion Leinster Regiment (The Prince of Wales' Royal Canadians), I have the honor to hand to you the original Colors of the Corps for the acceptance of the Dominion Government.

These Colors were presented to the Regiment at Shorncliffe, in 1858, by H. R. H. the Prince of Wales, being his first public act, this honor was conferred on the Corps in consideration of the loyalty of the Dominion of Canada to Her Majesty the Queen and the Mother Country in their hour of need arising from the Indian Mutiny, in raising and equipping the Corps at the expense of the Dominion and presenting it to Her Most Gracious Majesty, whose Jubilee we this year celebrate.

We hope that in the acceptance of these our first Colors, the inhabitants of the Dominion of Canada will feel that our attachment to the Country of our Origin is unabated, and that we should always feel it an honor were the ties of our connection bound closer by the renewal of the recruiting and domicilement of one of our Battalions permanently in Canada, on the Linked Battalion system, where some portion of the regular army is always required; were it consistent with the views of the War Office of this country and that of the Dominion of Canada; it would probably be of no small advantage to the military strength of the Dominion in having a constant supply of trained officers, non-commissioned officers and men to pass to the Militia and Volunteer Battalions, and under the present short service system would afford a popular field to her adventurous sons, many of whom now pass as officers to other Battalions which have no connection with the Dominion.

The honor of handing to you these Colors devolves upon me by the desire of Lt. Col. D. A. Mackinnon and the officers and men of the Battalion, whose representative I am, being the senior officer who served with the Corps, prior to its being linked with, the then, 109th Regiment.

The Colors will be duly handed to you by Messrs. Wolff and Harris in whose care they are. Please acknowledge their receipt and also this letter.

I have, &c.,

(Sgd.), Lucius J. Collum,
Lieutenant Colonel,
1st Leinster Regiment."

NOTE—The Citizens' Insurance Company of Canada has discontinued its Guarantee business and has reinsured its outstanding policies in the Guarantee Company of North America. The deposit on account of this branch is $11,000 Municipal Debentures still in the hands of the Receiver General.

The affairs of the *Briton Medical and General Life Association, London, Eng.*, are in litigation, orders having been made by Ontario and Quebec Courts, having for their object the winding-up of the affairs of the Company in Canada and the distribution of the deposit held by the Receiver General, which amounts to $103,370. The orders above referred to were both appealed; but the appeals have been withdrawn, and proceedings are now in progress for the winding up of the Company's Canadian affairs.

The license of the *Hand in Hand Insurance Company* expired on the 31st March, 1887, and has not been renewed owing to the fact that under "The Insurance Act," the privilege of obtaining a Dominion license in the case of Companies having Provincial charters is restricted to Companies which transact the business of Life Insurance. The Hand in Hand continues to transact Plate Glass insurance in Ontario under Provincial license, but has ceased to transact business in the other Provinces of the Dominion. The deposit of $5,000 is still in the Receiver General's hands.

The license to the *Life Association of Canada* expired on the 31st March, and has not been renewed. The statutory notices of application for withdrawal of its deposit have been given by the Company, and a portion thereof has been released; a balance sufficient in amount to cover the net surrender values of the policies in force has been retained by the Receiver General.

The Statutory notices of application for the withdrawal of the deposit of *The Briton Life Association (Limited)*, have been given by the Company.

NOTE.—La compagnie d'assurance des Citoyens du Canada a cessé de faire des opérations de garantie et a réassuré ses polices existantes dans la compagnie de garantie de l'Amérique du Nord. Le dépôt pour cette branche d'affaires est de $11,000 en bons de municipalités, somme qui est encore entre les mains du receveur général.

Les affaires de l'Association générale sur la vie *Briton Médical* de Londres, Ang., sont en liquidation, des ordres ayant été rendus par les cours d'Ontario et Québec, dans le but de régler les affaires de la compagnie en Canada, et la distribution du dépôt retenu par le receveur général, dépôt qui se monte à $103,370. Il y eu appel des deux ordres susdits, mais les appels ont été retirés, et des procédures se font maintenant pour régler les affaires canadienne de la compagnie

Le permis de la Compagnie d'assurance *Hand in Hand* est expiré le 31 mars 1887, et n'a pas été renouvelé parce que sous "l'Acte des assurances" le privilège d'obtenir un permis fédéral dans le cas de compagnies ayant des chartes provinciales est restreint aux compagnies qui font des opérations d'assurance sur la vie. La *Hand in Hand* continue les assurances sur glaces dans l'Ontario en vertu d'un permis provincial, mais a cessé de faire des opérations dans les autres provinces du Canada. Le dépôt de $5,000 reste entre les mains du receveur général.

Le permis de l'Association sur le vie du Canada est expiré le 31 mars, et n'a pas été renouvelé. Les avis exigés par la loi lorsqu'une compagnie veut retirer ses dépôts ont été donnés par la compagnie, et une partie en a été remboursée ; le receveur général a retenu un montant suffisant pour couvrir la valeur nette de rachat des polices en vigueur.

Les avis exigés par la loi pour le retrait du dépôt de la *Briton Life Association* (*limited*), ont été donnés par la compagnie.

NOTE —The Citizens' Insurance Company of Canada has discontinued its Guarantee business and has reinsured its outstanding policies in the Guarantee Company of North America, The deposit on account of this branch is $11,000 Municipal Debentures still in the hands of the Receiver General.

The affairs of the *Briton Medical and General Life Association, London, Eng.*, are in litigation, orders having been made by Ontario and Quebec Courts, having for their object the winding-up of the affairs of the Company in Canada and the distribution of the deposit held by the Receiver General, which amounts to $103,370. The orders above referred to were both appealed; but the appeals have been withdrawn, and proceedings are now in progress for the winding up of the Company's Canadian affairs.

The license of the *Hand in Hand Insurance Company* expired on the 31st March, 1887, and has not been renewed owing to the fact that under "The Insurance Act," the privilege of obtaining a Dominion license in the case of Companies having Provincial charters is restricted to Companies which transact the business of Life Insurance. The Hand in Hand continues to transact Plate Glass insurance in Ontario under Provincial license, but has ceased to transact business in the other Provinces of the Dominion. The deposit of $5,000 is still in the Receiver General's hands.

The license to the *Life Association of Canada* expired on the 31st March, and has not been renewed. The statutory notices of application for withdrawal of its deposit have been given by the Company, and a portion thereof has been released; a balance sufficient in amount to cover the net surrender values of the policies in force has been retained by the Receiver General.

ADMISSION D'ÉTUDIANTS-INGÉNIEURS DANS LE SERVICE NAVAL DE SA MAJESTÉ

Memo.

Leurs Seigneuries ont décidé, vu certains changements qui seront probablement faits dans les règlements relatifs à l'admission et l'éducation des étudiants-ingénieurs, qu'il n'y aura pas d'entrées cette année, 1888.

On se propose d'admettre un nombre limité d'étudiants-ingénieurs en 1889.

Le maximum d'âge pour cette année-là seulement sera étendu à 17.

Les règlements revisés seront bientôt publiés.

ORDRES GÉNÉRAUX DE MILICE.

QUARTIERS GÉNÉRAUX.

Ottawa, 23 mars 1888.

Ordres Généraux (5).

No. 1.

Les premiers drapeaux du 100e *régiment, à pied,*

Portant maintenant le nom de 1*er bataillon, Régiment du Prince de Galles, Leinster* (*Royaux Canadiens*).

Les premiers drapeaux du 1er bataillon, régiment du Prince de Galles, Leinster (Royaux Canadiens), ayant été reçus de l'officier commandant ce bataillon, par l'entremise du Haut Commissaire et du Secrétaire d'Etat pour le Canada, Son Excellence le gouverneur général en conseil a choisi la bibliothèque du Parlement de la Puissance du Canada à Ottawa, comme le lieu oû doivent être déposés ces drapeaux qui forment un chaînon si intéressant dans les relations historiques qui subsistent entre l'armée de Sa Majesté et cette partie do l'Empire; et il est résolu que copie de la lettre du lieutenant-colonel Collum, accompagnant la transmission de ces drapeaux, soit publiée comme suit, pour l'information du public, et surtout celle de la Force de la Puissance du Canada:—

" Copie.

Du lieutenant-colonel L. J. Collum, 1er bataillon du régiment de Leinster, au Haut Commissaire pour le Canada, 9 Victoria Chambers, London, S. W.

Bellevue, Enniskillen, Irlande,
3 septembre 1887.

Monsieur,—De la part du lieutenant-colonel D. W. Mackinnon, commandant, et des officiers, sous-officiers et soldats du 1er bataillon du Régiment de Leinster (Royaux Canadiens), j'ai l'honneur de vous transmettre les premiers drapeaux de ce corps pour être acceptés par le gouvernement de la Puissance. Ces drapeaux furent présentes au régiment à Shorncliffe, en 1858, par S. A. R. le Prince de Galles, étant son premier acte public; cet honneur fut décerné à ce corps en vue de la loyauté de la Puissance du Canada envers Sa Majesté la Reine et la mère patrie dans un moment difficile causé par la rébellion dans les Indes Anglaises, en organisant et équippant ce corps aux dépens de la Puissance et en l'offrant à Sa Gracieuse Majesté, dont nous célébrons cette année le jubilé.

Nous espérons qu'en acceptant ces drapeaux la population de la Puissance du Canada verra que notre amour pour notre pays d'extraction n'est pas amoindri, et que nous nous sentirions toujours honorés si les liens qui nous unissent étaient resserrés davantage par un renouvellement du recrutement et de la résidence permanente d'un de nos bataillons au Canada, d'après le système de bataillons-reliés, là où une partie de l'armée régulière est toujours requise. Si la chose rencontrait l'approbation du bureau de la Guerre de ce pays, et de la Puissance du Canada, elle augmenterait de beaucoup la force militaire de la Puissance en leur fournissant constamment des officiers, sous officiers et soldats disciplinés qui passeraient ensuite dans les bataillons volontaires ou miliciens; et sous le système actuel de service abrégé, offrirait une carrière populaire à la jeunesse entreprenante, qui, maintenant, fait partie, comme officiers, de bataillons qui n'ont aucune relation avec la Puissance.

L'honneur de vous remettre ces drapeaux me revient d'après les désirs du lieutenant-colonel D. A. Mackinnon et des officiers et soldats dont je suis le représentant comme étant le doyen parmi les officiers qui ont servi avec ce bataillon avant sa fusion avec le 100e régiment d'alors.

Les drapeaux vous seront remis par Messrs Wolff et Harris qui en ont la garde. Veuillez en accuser réception ainsi que de cette lettre.

J'ai, etc.,
(Signé), Lucius J. Collum.
Lieutenant-colonel,
1er régiment de Leinster.

NOTE.—La compagnie d'assurance des Citoyens du Canada a cessé de faire des opérations de garantie et a réassuré ses polices existantes dans la compagnie de garantie de l'Amérique du Nord. Le dépôt pour cette branche d'affaires est de $11,000 en bons de municipalités, somme qui est encore entre les mains du receveur général.

Les affaires de l'Association générale sur la vie *Briton Médical* de Londres, Ang., sont en liquidation, des ordres ayant été rendus par les cours d'Ontario et Québec, dans le but de régler les affaires de la compagnie en Canada, et la distribution du dépôt retenu par le receveur général, dépôt qui se monte à $103,370. Il y eu appel des deux ordres susdits, mais les appels ont été retirés, et des procédures se font maintenant pour régler les affaires canadiennes de la compagnie.

Le permis de la Compagnie d'assurance *Hand in Hand* est expiré le 31 mars 1887, et n'a pas été renouvelé parce que sous "l'Acte des assurances" le privilège d'obtenir un permis fédéral dans le cas de compagnies ayant des chartes provinciales est restreint aux compagnies qui font des opérations d'assurance sur la vie. La *Hand in Hand* continue les assurances sur glaces dans l'Ontario en vertu d'un permis provincial, mais a cessé de faire des opérations dans les autres provinces du Canada. Le dépôt de $5,000 reste entre les mains du receveur général.

Le permis de l'Association sur le vie du Canada est expiré le 31 mars, et n'a pas été renouvelé. Les avis exigés par la loi lorsqu'une compagnie veut retirer ses dépôts ont été donnés par la compagnie, et une partie en a été remboursée ; le receveur général a retenu un montant suffisant pour couvrir la valeur nette de rachat des polices en vigueur.

Les avis exigés par la loi pour le retrait du dépôt de la *Briton Life Association* (*limited*), ont été donnés par la compagnie.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comité, du district ou des comtés unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtenttin d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

Sir,—With reference to my letter of the 29th ultimo I am directed by the Marquis of Salisbury to transmit to you a copy of a Despatch which has been addressed to Her Majesty's Plenipotentiaries at the Fishery Conference at Washington, conveying to them the Queen's approval and that of Her Majesty's Government of the manner in which they have conducted the negotiations in that capital for the settlement of the Fishery Question on the Atlantic Coast of North America.

I am to request that in laying this despatch before Lord Knutsford, you will move him to cause a copy of the same to be communicated to Sir Charles Tupper, who, it is believed, has returned to Canada, and I am to suggest that a special acknowledgment should be conveyed to him on the part of Her Majesty's Government, of the ability and knowledge which he has brought to bear on the discussion of this question at Washington.

I am, &c.,

(Signed), J. PAUNCEFOTE.

Under Secretary of State,
C. O.

Lord Salisbury to Her Majesty's Plenipotentiaries at the Fishery Conference.

Foreign Office, 2nd March, 1888.

Gentlemen,—I have received and laid before the Queen your despatch of the 15th ultimo, forwarding a copy of the treaty signed on that day by the Plenipotentiaries of Great Britain and the United States, for the settlement of the Fishery Question on the Atlantic coast of North America, together with copies of the two protocols signed at the same time for the establishment temporarily of a *modus vivendi* pending the ratification of the treaty.

It affords me great satisfaction to inform you that I have received Her Majesty's commands to convey to you her entire approval of the manner in which you have conducted the negotiations entrusted to Her Majesty's Plenipotentiaries.

I desire at the same time to place on record on the part of Her Majesty's Government their recognition of the ability and tact displayed by you in your discussions with the Plenipotentiaries of the United States which have so largely contributed to the result which has been accomplished.

Her Majesty's Government earnestly trust that the solution of this question will strenghthen those amicable relations which it is their sincere desire to see cultivated between the Governments and people of the two great English speaking nations of the European and American continents.

I am, &c.,

(Signed) SALISBURY.

Her Majesty's Plenipotentiaries,

I am much gratified to learn that the course pursued by Her Majesty's Plenipotentiaries during the recent Conference at Washington has obtained the gracious approval of the Queen and the recognition of Her Majesty's Government, and I am especially gratified by the kind and flattering reference to my humble efforts on that occasion. I have already informed your Lordship how fully I appreciated the able and judicious manner in which Mr. Chamberlain conducted these negotiations at Washington and the firm support given by both him and Sir Lionel Sackville West to the contentions of Canada.

It is due to Mr. Thompson, the Minister of Justice, who acted as legal adviser to the British side, to place on record my deep sense of the great assistance which he rendered throughout those negotiations, and to add that we were also much indebted to Mr. Foster, the Minister of Marine and Fisheries, whose intimate acquaintance with the subject was of especial value.

I have the honor to be,
My Lord,

NOTE.—The Citizens' Insurance Company of Canada has discontinued its Guarantee business and has reinsured its outstanding policies in the Guarantee Company of North America. The deposit on account of this branch is $11,000 Municipal Debentures still in the hands of the Receiver General.

The affairs of the *Briton Medical and General Life Association, London, Eng.*, are in litigation, orders having been made by Ontario and Quebec Courts, having for their object the winding-up of the affairs of the Company in Canada and the distribution of the deposit held by the Receiver General, which amounts to $103,370. The orders above referred to were both appealed; but the appeals have been withdrawn, and proceedings are now in progress for the winding up of the Company's Canadian affairs.

The license of the *Hand in Hand Insurance Company* expired on the 31st March, 1887, and has not been renewed owing to the fact that under "The Insurance Act," the privilege of obtaining a Dominion license in the case of Companies having Provincial charters is restricted to Companies which transact the business of Life Insurance. The Hand in Hand continues to transact Plate Glass insurance in Ontario under Provincial license, but has ceased to transact business in the other Provinces of the Dominion. The deposit of $5,000 is still in the Receiver General's hands.

The license to the *Life Association of Canada* expired on the 31st March, and has not been renewed. The statutory notices of application for withdrawal of its deposit have been given by the Company, and a portion thereof has been released; a balance sufficient in amount to cover the net surrender values of the policies in force has been retained by the Receiver General.

The Statutory notices of application for the withdrawal of the deposit of *The Briton Life Association (Limited)*, have been given by the Company.

My Lord,—I have the honor to transmit to you for communication to Sir C. Tupper, a copy of a despatch which has been addressed to Her Majesty's Plenipotentiaries at the Fishery Conference at Washington, conveying to them the Queen's approval and that of Her Majesty's Government of the manner in which they have conducted the negotiations in that capital for the settlement of the Fishery question on the Atlantic coast of North America.

I desire to add on the part of Her Majesty's Government a special acknowledgment of the ability and knowledge which Sir C. Tupper has brought to bear on the discussion of this question.

I have, &c.,

Foreign Office, 2nd March, 1888.

Sir,—With reference to my letter of the 29th ultimo I am directed by the Marquis of Salisbury to transmit to you a copy of a Despatch which has been addressed to Her Majesty's Plenipotentiaries at the Fishery Conference at Washington, conveying to them the Queen's approval and that of Her Majesty's Government of the manner in which they have conducted the negotiations in that capital for the settlement of the Fishery Question on the Atlantic Coast of North America.

I am to request that in laying this despatch before Lord Knutsford, you will move him to cause a copy of the same to be communicated to Sir Charles Tupper, who, it is believed, has returned to Canada, and I am to suggest that a special acknowledgment should be conveyed to him on the part of Her Majesty's Government, of the ability and knowledge which he has brought to bear on the discussion of this question at Washington.

I am, &c.,
(Signed), J. PAUNCEFOTE.

Under Secretary of State,
C. O.

Lord Salisbury to Her Majesty's Plenipotentiaries at the Fishery Conference.

Foreign Office, 2nd March, 1888.

Gentlemen,—I have received and laid before the Queen your despatch of the 15th ultimo, forwarding a copy of the treaty signed on that day by the Plenipotentiaries of Great Britain and the United States, for the settlement of the Fishery Question on the Atlantic coast of North America, together with copies of the two protocols signed at the same time for the establishment temporarily of a *modus vivendi* pending the ratification of the treaty.

It affords me great satisfaction to inform you that I have received Her Majesty's commands to convey to you her entire approval of the manner in which you have conducted the negotiations entrusted to Her Majesty's Plenipotentiaries.

I desire at the same time to place on record on the part of Her Majesty's Government their recognition of the ability and tact displayed by you in your discussions with the Plenipotentiaries of the United States which have so largely contributed to the result which has been accomplished.

Her Majesty's Government earnestly trust that the solution of this question will strenghthen those amicable relations which it is their sincere desire to see cultivated between the Governments and people of the two great English speaking nations of the European and American continents.

I am, &c.,
(Signed) SALISBURY.

Her Majesty's Plenipotentiaries,
Fishery Conference, Washington.

OTTAWA, 27th March, 1888.

MY LORD,—I have the honor to acknowledge the receipt of your despatch of the 21st instant, with copy of a despatch from the Right Hon. the Secretary of State for the Colonies, covering a communication from Sir J. I am much gratified to learn that the course pursued by Her Majesty's Plenipotentiaries during the recent Conference at Washington has obtained the gracious approval of the Queen and the recognition of Her Majesty's Government, and I am especially gratified by the kind and flattering reference to my humble efforts on that occasion. I have already informed your Lordship how fully I appreciated the able and judicious manner in which Mr. Chamberlain conducted these negotiations at Washington and the firm support given by both him and Sir Lionel Sackville West to the contentions of Canada.

It is due to Mr. Thompson, the Minister of Justice, who acted as legal adviser to the British side, to place on record my deep sense of the great assistance which he rendered throughout those negotiations, and to add that we were also much indebted to Mr. Foster, the Minister of Marine and Fisheries, whose intimate acquaintance with the subject was of especial value.

I have the honor to be,
My Lord,
Your Lordship's obedient servant,
(Signed) CHARLES TUPPER.

NOTE.—The Citizens' Insurance Company of Canada has discontinued its Guarantee business and has reinsured its outstanding policies in the Guarantee Company of North America. The deposit on account of this branch is $11,000 Municipal Debentures still in the hands of the Receiver General.

The affairs of the *Briton Medical and General Life Association, London, Eng.*, are in litigation, orders having been made by Ontario and Quebec Courts, having for their object the winding-up of the affairs of the Company in Canada and the distribution of the deposit held by the Receiver General, which amounts to $103,370. The orders above referred to were both appealed; but the appeals have been withdrawn, and proceedings are now in progress for the winding up of the Company's Canadian affairs.

The license of the *Hand in Hand Insurance Company* expired on the 31st March, 1887, and has not been renewed owing to the fact that under "The Insurance Act," the privilege of obtaining a Dominion license in the case of Companies having Provincial charters is restricted to Companies which transact the business of Life Insurance. The Hand in Hand continues to transact Plate Glass insurance in Ontario under Provincial license, but has ceased to transact business in the other Provinces of the Dominion. The deposit of $5,000 is still in the Receiver General's hands.

The license to the *Life Association of Canada* expired on the 31st March, and has not been renewed. The statutory notices of application for withdrawal of its deposit have been given by the Company, and a portion thereof has been released; a balance sufficient in amount to cover the net surrender values of the policies in force has been retained by the Receiver General.

The Statutory notices of application for the withdrawal of the deposit of *The Briton Life Association (Limited)*, have been given by the Company.

NOTE.—La compagnie d'assurance des Citoyens du Canada a cessé de faire des opérations de garantie et a réassuré ses polices existantes dans la compagnie de garantie de l'Amérique du Nord. Le dépôt pour cette branche d'affaires est de $11,000 en bons de municipalités, somme qui est encore entre les mains du receveur général.

Les affaires de l'Association générale sur la vie *Briton Médical* de Londres, Ang., sont en liquidation, des ordres ayant été rendus par les cours d'Ontario et Québec, dans le but de régler les affaires de la compagnie en Canada, et la distribution du dépôt retenu par le receveur général, dépôt qui se monte à $103,370. Il y eu appel des deux ordres susdits, mais les appels ont été retirés, et des procédures se font maintenant pour régler les affaires canadiennes de la compagnie

Le permis de la Compagnie d'assurance *Hand in Hand* est expiré le 31 mars 1887, et n'a pas été renouvelé parce que sous "l'Acte des assurances" le privilège d'obtenir un permis fédéral dans le cas de compagnies ayant des chartes provinciales est restreint aux compagnies qui font des opérations d'assurance sur la vie. La *Hand in Hand* continue les assurances sur glaces dans l'Ontario en vertu d'un permis provincial, mais a cessé de faire des opérations dans les autres provinces du Canada. Le dépôt de $5,000 reste entre les mains du receveur général.

Le permis de l'Association sur le vie du Canada est expiré le 31 mars, et n'a pas été renouvelé. Les avis exigés par la loi lorsqu'une compagnie veut retirer ses dépôts ont été donnés par la compagnie, et une partie en a été remboursée ; le receveur général a retenu un montant suffisant pour couvrir la valeur nette de rachat des polices en vigueur.

Les avis exigés par la loi pour le retrait du dépôt de la *Briton Life Association* (*imLited*), ont été donnés par la compagnie.

NOTE.—The Citizens' Insurance Company of Canada has discontinued its Guarantee business and has reinsured its outstanding policies in the Guarantee Company of North America. The deposit on account of this branch is $11,000 Municipal Debentures still in the hands of the Receiver General.

The affairs of the *Briton Medical and General Life Association, London, Eng.*, are in litigation, orders having been made by Ontario and Quebec Courts, having for their object the winding-up of the affairs of the Company in Canada and the distribution of the deposit held by the Receiver General, which amounts to $103,370. The orders above referred to were both appealed; but the appeals have been withdrawn, and proceedings are now in progress for the winding up of the Company's Canadian affairs, and applications relating thereto are at present pending before the Courts at Montreal and Toronto.

The license of the *Hand in Hand Insurance Company* expired on the 31st March, 1887, and has not been renewed owing to the fact that under "The Insurance Act," the privilege of obtaining a Dominion license in the case of Companies having Provincial charters is restricted to Companies which transact the business of Life Insurance. The Hand in Hand continues to transact Plate Glass insurance in Ontario under Provincial license, but has ceased to transact business in the other Provinces of the Dominion. The deposit of $5,000 is still in the Receiver General's hands

The Statutory notices of application for the withdrawal of the deposit of *The Briton Life Association (Limited)*, have been given by the Company. The deposit of the Company, $58,993 Canada 4 p. c. bonds is still in the hands of the Receiver General.
